

## Fatality, 10 Injuries In Traffic Collisions

GC Men Hurt Seriously  
Today; Woman Dies 6  
Days After Accident

A traffic fatality — the second of the year in this area — occurred Tuesday with the death of a Massachusetts woman who had been critically injured six days earlier in an auto-truck crash near Lakeside Airport.

The 10 persons hurt in 12 accidents this week included two Granite City men injured seriously in a head-on collision on Route 162 this morning. Two other traffic accidents occurred today also resulted in injuries.

Miss Siraous DerMannian, 44, an Armenian Relief Society field worker from Watertown, Mass., became the second traffic fatality in 14 days in the Quad-City area when she was killed at St. Louis, where she was en route to a funeral.

Her remains were taken from East St. Louis funeral home where services will be held this week.

Miss DerMannian was a passenger in an auto driven by Roger Shrikian, 34, of 821

Niedringhaus avenue, pastor of St. Gregory's Armenian Apostolic church.

Rev. Shrikian, who sustained a rib fracture in the collision, was released from St. Elizabeth Hospital last Saturday.

His car was involved in a collision with a refrigerated meat delivery truck, driven by Charles Davis, 45, St. Louis, who received nine stitches for a cut on the right side of his head.

Miss DerMannian and Rev. Shrikian were returning from an East St. Louis relief chapter when the mishap occurred. She had been visiting St. Louis area chapters for one week prior to the accident.

She is survived by two sisters and a brother, all of Watertown.

**Two Hurt Seriously**  
The drivers of two cars, both alone in their vehicles, were injured seriously in a head-on collision on State Route 162 at 12:10 a.m. today.

Howard Paschewitz, 34, of 4117 South drive, driver of the westbound auto, underwent facial surgery at Barnes Hospital, St. Louis, this morning after he was transferred from St. Elizabeth Hospital, where he was treated for extensive face cuts.

**Sack Of Cigarets  
Found In Yard**

Granite City police are searching for the owner of cigarettes and cigars that were discarded in a yard in the 1500 block of Johnson road and were found yesterday morning by the resident there.

Police said the cigarettes, about 30 packages of mixed brands and the cigars apparently came from a super market since prices were stamped on them and there were strips of tape on the packages indicating they had been on display in bundles of five.

The crushed packages were in a brown paper bag from Schermer Bros. Market, but were not taken from there, police learned.

**BIRTHS**

Births recorded at St. Elizabeth Hospital:

**GIRLS**  
Mr. and Mrs. Buford Goff, 2729 Harding avenue,  
Mr. and Mrs. James G. Gancheff, 3321 Johnson road,  
Mr. and Mrs. Ronald Zeiler, 1737 Willow street,  
Mr. and Mrs. Ralph Z. Miller Jr., 2446 Delmar avenue,  
Mr. and Mrs. Leonard Hyla, 1708 Market street, Madison,  
Mr. and Mrs. Sterling Campbell, 12 Grenzer Homes, Madison.

## Gabriel-Dulgeroff Architect For GC School Addition

With a decision made two weeks ago to add classrooms to Maryville school and possibly Wilson school, the Granite City school board voted Tuesday night to employ the architectural firm of Henry Gabriel and Sylvester Dulgeroff.

Supr. Harold M. Kaiser presented background information supplied by the Gabriel-Dulgeroff firm and by Architect Victor Dulgeroff, noting that both have worked in Granite City.

The Dulgeroffs are brothers but have separate firms.

As approved by the board, the 6% fee recommended by the Southern Illinois Chapter of the American Institute of Architects will be reduced to 4 1/2% since no rough sketches or preliminary drawings will be necessary. Design and construction similar to the existing buildings are planned for the added rooms.

The firm noted that the 6% fee traditionally includes 1 1/2% for preliminary work, 2% for working drawings and 1 1/2% for supervision.

Victor Dulgeroff listed a 6% fee for the school addition.

Neither firm was represented at the board meeting. Information was given by the architect to a list of questions from the school district was obtained from the school district.

Gabriel and Feb. 24 from Gabriel-Dulgeroff.

**Construction This Summer**  
The school district plans to add two, four or six classrooms at Maryville and possibly two rooms at Wilson, utilizing available funds. It is hoped to complete the construction work by the new term in September.

The architect's motion was made by Glenn Abernethy and seconded by Robert Spengler, and others participating in the 2-0 vote were President Howard Huber, Secretary Howard Kaseg, and Herbert Bischoff, Board Members George Zubanks and Monroe Worthen were present.

During a brief discussion Bischoff attempted to determine whether the intent was awarding or negotiation of the contract, and whether the 4 1/2% fee was negotiable.

No comparison of the firms was made other than that in the data supplied, but it was noted that Gabriel-Dulgeroff served as architects for two newly-completed Granite City high school additions and that the work proved satisfactory.

Mr. Kaiser described the two schools under construction as "excellent" and said both "have done outstanding work."

Howard Paschewitz, 34, of 4117 South drive, driver of the westbound auto, underwent facial surgery at Barnes Hospital, St. Louis, this morning after he was transferred from St. Elizabeth Hospital, where he was treated for extensive face cuts.

**Undergo Surgery**  
The following are recovering from surgery which they underwent this week: Lyman Hickman, 2173 Bern avenue, Ruth Morton, 4120 Pontoon road; Maude Struggs, 2447 Benton street; Ralph Baker, 2510 East 28th street; Mary Jo Eck, 3025 Ramona drive; Linda Wolfe, 2617 Logan avenue.

**2000 Visit 'Y'; Karandjeff New President**

More than 2000 interested persons streamed into the YMCA here during a two-hour period Monday night as the local facility held its annual open house.

The visitors toured the YMCA building and its various program departments, where exhibits were set up and demonstrations staged which depicted the department activities.

The reorganizational meeting of the YMCA board of directors was held prior to the 7-9 p.m. open house.

Members of the board of directors in 1961 included H. D. Karandjeff, president; Harold R. Fischer and Milton Reinhardt, vice presidents; Wensel Brown, treasurer; and Mrs. Gene Venick, secretary.

**Board Members Named**  
Board members named to the 1961-62 term are: H. D. Brown, B. E. Hohl, Mrs. C. E. Townsend, Fischer, Chester Baker, and Milton Reinhardt.

Mr. and Dr. Leo Coleman, G. W. Hoelscher, president of the board of directors for the past 25 years, was presented with an appreciation plaque by members of the Ten Aces department during the evening.

Hoelscher presided at his last board meeting as president, and offered his thanks to the members of the board of directors, the staff, and the lay people who have worked with him during these past 25 years.

He said that he had the privilege of serving as president.

## Upswing In Home Building Starts In GC

Construction Permits  
For 1st Two Months  
Top 1960 By \$111,900

Home construction took on an upswing during the last 10 days of February with permits issued for 12 new dwellings by City Building Inspector Earl Bloemquist and City Clerk A. L. Stevens.

During February, a total of 25 permits was issued with a value of \$534,141, boosting the city's construction for the year to 58 permits, including 10 houses, and a value of \$653,983, which is above the \$552,040 value for the same two months of 1960, when 84 permits were issued including 20 for homes.

The largest permit issued in the past 10 days went to Kent Realty Co., \$121,900, for nine new houses to be erected in the 2400 block of Kilarney avenue. The brick veneer houses, each valued at \$13,500, will contain six rooms and bath.

The other permit for a \$14,000 brick veneer with five rooms, 1 1/2 bath on Lot 142, Bermuda lane.

**Commercial Permits**  
The largest of three commercial permits was issued to M. H. Wolfe & Co., local contractor, for a \$10,000 alteration and repair project at Air Products, Inc., acetylene plant, 1525 Madison avenue, where a hydrogen reduction plant is to be added.

George Moran, local attorney, secured a permit to remodel the interior of a two-family brick apartment at 2035 Edison avenue for offices. The remodeling is to include partitions, plastering, electrical work, floor heating and conditioning, to cost \$5000.

The other commercial permit was for Miller's Garage, West 21st street and Missouri avenue, for a \$2500 repair and alteration project.

**Home Improvement**  
Home improvement permits were obtained by Les Smith for a kitchen and bathroom addition to a door on the north side of the building which is believed to have been left unoccupied in the office. The kitchen and bathroom were ransacked and papers scattered on the floor. The office door had been forced open.

In the kitchen, the equipment was moved and a storage room was ransacked. The discovery was made by the custodian.

**Lake School Ransacked**  
The office and kitchen at Lake grade school on East 23rd street were ransacked Monday night according to a report received Tuesday morning by Granite City police. The principal, Leland J. Bartley, said nothing apparently was taken.

The intruders entered through a door on the north side of the building which is believed to have been left unoccupied in the office. The kitchen and bathroom were ransacked and papers scattered on the floor. The office door had been forced open.

In the kitchen, the equipment was moved and a storage room was ransacked. The discovery was made by the custodian.

**Lincoln School Entered**  
Glass was broken at the rear of the Lincoln school to gain entrance to the building and the intruder apparently cut himself. It was determined after a break-in was discovered at 5 a.m. Wednesday by a school custodian.

The vandal broke into the Lincoln principal's office and a restroom, but it is believed nothing was taken.

(Continued on Page 5, Col. 6)

**Area To Be Served**  
The area to be served is bounded to the south by the city limits of Granite City extending to the west to the Chain to the north by a section line paralleling U.S. Highway 66-40 and to the east by a line located a half-mile east of the Chain.

During the public meeting, to which all residents of the district were invited, Beatty presented along with Engineer Edward J. Jurek of the firm of St. Louis, Mo., and St. Louis, Mo., which designed the system.

Beatty said the water district was organized about 3 1/2 years ago and made an unsuccessful attempt about two years ago to sell revenue bonds. Application was then made to the federal government for a construction loan to expand the service.

The loan was granted in January, with the limitation placed on the system, the district has been advised there is a private market for the bonds at 5 1/2 percent.

**Day WITHOUT  
TRAFFIC DEATH**

Many of the demonstrations and exhibits were continuous, and the fair made use of in each department were also open for public inspection.

## Two GC Schools Ransacked; Other Thefts In Area

Two schools in the Granite City district were entered Monday night and were thoroughly ransacked by the intruders who took a small amount of change from the Maryville school, nothing from the Lake grade school.

Four doors were damaged about the locks in a break-in at the Maryville school on Monday night. It is believed some of the gray bar was used to force them open.

An investigation showed the intruder apparently entered through a door near the northwest corner, but it was not determined. Doors broken were taken to the principal's office, an outer office, a teachers' room and the cafeteria.

Only items determined to be missing was a small quantity of change taken from a desk drawer in the office area.

## GC Steel Continuing Program For Opening New Markets

Granite City Steel Co. is adding substantial improvements to its plant at this time to expand steelmaking capacity for future market area needs, to lower production costs, and to open new markets for its flat rolled steel products, Nicholas P. Veeder.

As was announced last month in a preliminary report, Granite City Steel earned \$11,121,000 in 1960, or \$2.59 per share of common stock, as compared with 1959's earnings of \$16,142,000, or \$3.76 per common share, based on the present number of shares outstanding. Net sales in 1960 were \$137,328,000 as compared with \$104,371,000 in 1959.

The company produced 1,143,000 tons of steel in 1960 as compared with 1,068,000 tons in 1959.

Veeder pointed out that Granite City Steel's operations remained near peak longer in the first half of 1960 than those of most steel producers. Despite the sharp decline in demand for steel, last year's earnings were the fourth best in Granite City Steel's history.

**Integrated Steel Plant**  
"Granite City Steel's 1960 results," Veeder said, "again illustrate how essential was the heavy investment that we made during the last decade to create an efficient, integrated steel-making plant."

"We earned 8 1/2% on sales. Although below 1959's earnings of 9.8% on sales, it was one of the best 1960 profit margins in the steel industry. The most valuable result of this company's postwar growth has been its ability to operate profitably even in the lean years."

"Turning to Granite City Steel's expansion, Veeder reported that in 1960 and early 1961 the company replaced an old blast furnace with a large new furnace with a capacity of 1800 tons of pig iron a day, made structural improvements in some of its open hearth furnaces, built a second electrolytic plate line, and obtained about 180% more oxygen for use in open hearth steelmaking with the completion of a nearby oxygen generating plant owned by P. H. Products, Inc."

**Tin Plate Line Planned**  
Under construction at present, he said, is a battery of 63 additional by-product coke ovens that will increase the company's coking capacity by 80%; the largest Sendzimir cold strip mill in the world.

Nameoki Township  
Budget--\$70,295,  
Up \$14,575

Nameoki township's tentative budget totaling \$70,295, up \$14,575, went on public display Tuesday at the new town hall on State Route 162 near the intersection with Route 111.

A public hearing is set for 7:30 p. m. March 28, at which time revisions may be made, and the budget will be submitted for adoption by election during the annual town meeting at 7:30 p. m. April 4. Both meetings will be held at the town hall.

Of the \$14,575 increase, \$12,510 is in the new town fund, \$20,000 in the new town fund, \$28,880 relief budget and \$1000 for a new item for Illinois Municipal Retirement funds whom the electors will be asked to vote on during the annual town meeting.

**\$4000 Judgment**  
Supervisor Harry Briggs said \$4400 of the increase in the town fund budget stems from final payment of a judgment against the township, resulting several years ago when under annual administration, the township failed to pay bills for road oil.

The \$18,000 judgment was budgeted about two years ago. It was paid in 1959.

**Magistrate Salary  
Set At \$9000**

A \$9000 annual salary for the office of police magistrate was set Monday night by Granite City council members with approval of an ordinance by a vote of 10-0. Placed on first reading was another ordinance increasing the salary of township police from the present \$6000 to \$7200.

The assessor pay ordinance specified a change date of May 1. Alderman Charles Meyer said that a newly-elected assessor will not take office until next Jan. 1. He also said the pay increase is subject to approval by town electors during the annual town meeting set for April 4.

There was no debate on the police magistrate salary ordinance, which had been placed on first reading last week. However, Meyer said he learned during the week that the salary of the Belleville magistrate has been set at \$800 for supplies.

**Nonn Changes Vote**

In the vote on the magistrate salary, opposition was given by Alderman Meyer, Steve Basch, Robert Gaughan, Arthur Wizer, and Frank Reed. Alderman Wizer, who had voted "aye" on his vote to be changed.

The vote switch did not change the outcome.

Starting May 1, the office of magistrate will be salaried in excess of being based on fees. A salary of \$12,000 had been suggested by the incumbent, who said the potential income for the office on a fee basis was \$16,000 a year.

**Area's Precipitation  
Now Above Normal**

Nearly 10 inches of snow was recorded for the Quad-Cities during February with only precipitation for the month set at 2.74 inches.

With the eight inches of snow in January, the total for the year stands at 17.75 inches with the year's precipitation at 6.61 inches, according to records maintained by the U. S. Army Corps of Engineers.

Normal precipitation for the first two months of the year is 3.51 inches.

Heaviest snowfall was recorded on the morning of Feb. 3, when the snow was measured at 8.25 inches. There also was a one-inch snowfall on Feb. 6 and a half-inch snowfall on Feb. 25. The small amount of snow that fell Monday night means before it could be measured.

Rain or snow was recorded on Feb. 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, and 31.

The amounts of measurable precipitation were 85 inches on Feb. 15, 15 on the 16th, 15 on the 17th, 57 on the 18th, 18 on the 22nd, 60 on the 25th and 30 on the 26th.

## Sharp Drop In Venice Twp. Relief Budget Is Proposed

A \$25,000 food decrease in the general assistance fund is the major factor in a \$23,476 budget decrease proposed in Venice township for the new fiscal year which will begin March 28, 1961, and end March 26, 1962.

The tentative budget and appropriation ordinance is now on display at the township office, 1502 Fifth street, Madison, and will be voted on by citizens at the annual town meeting at 2 p.m. April 4. A public hearing will be held at 7 p.m. Tuesday, March 28, at the township office.

The proposed budget is \$190,825, down \$23,476 from the 1960, 61 total. Included in the tentative expenditure is \$34,860 for the town fund, up \$205, \$154, 120 for the general assistance fund, down \$27,880; and a contribution of \$1845 to the Illinois Municipal Retirement Fund, up \$1845. The retirement fund is to replace social security payments, which were omitted from the budget.

The general assistance fund decrease was made in anticipation of less demand for food and other forms of relief to the poor.

**Propose Pay Raises**  
The tentative figures proposed by township officials include a \$1200 pay increase for the supervisor of general assistance, from \$3600 to \$4800. He also receives \$800 as supervisor of the town fund.

The town clerk is listed for a \$500 raise, from \$1200 to \$1700, and the \$1800 allocation for legal expenditures would be raised \$200 to \$2000.

With five justices of the peace to be replaced by three town auditors as members of the Venice township board, the proposal for board meeting pay has been lowered \$200, from \$700 to \$500.

A breakdown of the proposed town fund budget, followed by a comparison with last year's figures:

**Town Fund Breakdown**  
Compensation of town officers: supervisor, \$600, same; town clerk, \$1800, \$1200; assessor, \$450, same; highway commissioner, \$200, same; board of auditors, \$500, \$700; supervisor of general assistance, \$4800, \$3600; health officer, \$100, same; social security tax payments, none, \$357; total, \$14,300, \$13,057.

Elections: compensation of judges and clerks, \$1500, none; election supplies, \$300, same; rent of polling places, \$150, none, total, \$1950, \$500.

### Price Seeking Federal Court In Alton

Rep. Melvin Price, (D) East St. Louis, today urged the Committee on Judiciary of the House of Representatives to include his proposal for authority to hold Federal Court in Alton in the proposed measure to provide additional circuit and district Federal judges.

For the past several years Congressman Price has been pressing for approval of a bill to provide that court for the Southern Division shall be held at Alton, Quincy and Springfield. It is held only in the latter, two cities now.

Last year the House Committee approved Congressman Price's recommendation and his proposal was included in the Judiciary bill which passed the House but was not acted on by the Senate. It is believed chances for passage of the measure in the next session of the Congress is much brighter this year. It is included in President Kennedy's program.

Congressman Price informed the Judiciary Committee that the Madison County Bar Association and other bar associations in the area have expressed approval of his proposal. Price testified that statistics indicate that a large percentage of the civil litigation in the district arises in and about Madison County. He pointed out Madison county is one of the largest counties in Illinois and the surrounding territory lying in the judicial district is also heavily populated.

Surviving are his wife, Anna Mae; three sons, William E., and Gordon, of Granite City, and George Chastain, Collinsville; four daughters, Mrs. Herby (Ruby) Jones and Mrs. George (Dorothy) Taylor, both of Granite City, Mrs. Charles (Grace) Robinson, Belleville, and Mrs. Carl (Sylvia) Edwards, Collinsville; 22 grandchildren and 15 great-grandchildren.

Services were held at 10 a.m. today at the Church of Christ, 2130 Clark Avenue. Burial was at St. John's Cemetery. Arrangements are given in the obituary column.

### Former Resident Dies In New York City

Funeral services were held Tuesday in Sparta, Ill., for Mrs. Ernest Barnes, 43, of New York City, formerly of this city, who died Feb. 24 of pneumonia after a brief illness. She was the former Dorothy Mann.

Surviving, besides her husband and her parents, Mr. and Mrs. J. H. Mann of Sparta, are two sons here, Mrs. Nellie Koetter, 2529 State street, and Mrs. Nita Lancaster, 2333 Washington avenue.

### Easter Seal Campaign Gets Underway Here

The Easter Seal Campaign for crippled children and adults began today, opening the 40th annual appeal for funds according to Mrs. Howard Kaseberg, campaign chairman.

Mrs. Kaseberg said that area in the mail some time this week. Green and blue colors are predominant on seals and postcards. Two designs appear on the seal. One shows the lily symbol of Easter Seal societies and the other pictures a crippled boy on crutches, symbolizing all children who received care and treatment.

Mrs. Kaseberg urges all residents to watch for and use Easter Seals in 1961. Funds are used to combat crippling diseases.

# Cries Of Politics In Debate On GC Engineering Contract

Cries of "politics" were shouted during Monday night's Granite City council meeting as the motor fuel tax engineering contract of David Johnston was submitted for adoption.

The contract, which was placed on first reading last week, was debated for nearly an hour before being approved by an 11-3 vote.

One comment, midway in the debate, was by Alderman Paul Rutledge, who said, "I'm not going to sit here for the next five weeks and listen to political speeches."

When the contract was submitted for approval, the first question asked was if it could be delayed until after the April 4 city election.

Mayor Davis called on Engineer Johnston, who was seated in the room, to ask what procedure was followed in other cities he serves.

Johnston replied there were no problems. The one-year contract was approved. "It's necessary to have a contract to carry out work requiring approval by the state highway department. These engineering rates also must be approved by the state," Johnston pointed out.

**Nonn Challenge Terms**  
Terms of the contract were challenged by Alderman Walter Nonn, who said he had looked over motor fuel tax records for the past year and found that

while the contract includes provisions for inspection, the city has been paying additional amounts for inspection.

Johnston explained his contract provided for engineering inspection, and that the extra cost was for city inspections of the project. Nonn replied that he had seen no city inspections on Cayuga street, where he lived, and the added inspection cost to the city was \$41. He listed other "extra inspection" costs of \$66, \$150 and \$128.

The engineer said that if the city thought it was being overcharged, to submit proof and the situation would be corrected.

**Explains Services**  
In answer to other questions by aldermen, Johnston explained that for the annual fee of \$5000 paid him by the city for engineering services not included in the motor fuel tax contract, he provides a full-time engineer and three assistants with the difference made up under the MPT contract.

"This is to provide service for you, and I hire local people," Johnston said. He pointed out the fees he charges Granite City in its motor fuel tax contract are the same he charges other cities. He stressed that the state would not approve city MPT projects if there was no signed contract with an engineer.

When the amount of fees listed in contract was brought out

for discussion, and it was pointed out they are higher than those charged for the cities of Madison and Venice, Alderman Samuel Whitmer, said the first MPT contract with Johnston was signed by the city six years ago and have been revised but slightly in that period of time. "It's obvious what is happening. We're having a mayor election. This is a political move. If this contract wasn't wrong a year ago, it shouldn't be brought up now."

**Satisfied With Service**  
As the debate ended, Alderman Frank Vesel said he did not believe in holding up the contract. "I'm satisfied with the service and I don't think we should stop progress just for an election."

Supt. of Streets William Warfield said that if engineering services were halted, there might be a delay in getting the annual arterial repair program started. "We've got to get the materials ordered and shouldn't delay too long."

In the roll call vote, those favoring the contract were Aldermen Rufus LeMaster, Meyer, Esch, Von Schmitten, Frank Neimeyer, Walter Vesel, Ernest, Emerald Daves, Robert Gaughan, Arthur Wierzer, Samuel Shadish, Frank Vesel, Opposed were Aldermen Nonn, Partridge, Skubish and Mrs. Bettine.

Mayor answered Nonn by commenting that it was not too long ago Nonn had said the engineer was being paid enough.

Enter the discussion, Alderman Donald Partney said that with an election coming in April, he did not think it was proper for the present council to enter into a one-year contract. He added that the contract is dated to run from Jan. 1, 1961, to Jan. 1, 1962, and "since we've waited this long, we might as well wait another month."

Reaction to the opening was "very good," Mrs. Kelly said, adding that hospital personnel and patients had anxiously awaited the opening.

The opening was scheduled for 8 a.m., but some painting and other minor decorating remained. Table cloths and flower vases were placed on the tables.

The shop is located in the space formerly occupied by the cafeteria on the ground floor of the old section of the hospital.

## Cub Scout Pack For Retarded Is Organized

A cub pack for retarded boys, first of its type in this area, was organized last night at Lake grade school under sponsorship of the Granite City Association for Aid to Retarded Children.

The action climaxed months of planning for the new program. Clarence Windsor is neighborhood commissioner and Julius Frank will be cubmaster of Pack Two, it was reported by Ray John DiGiacomo, organization and extension chairman.

A pack committee and staff of den mothers have been organized, and about ten boys are to be registered.

Training of leaders will begin Monday night, March 13, at the Lake school. Arrangements are being handled by the association for the retarded and by the Catholic Mount Boy Scout Council, in the belief that scouting activities can prove helpful to the youngsters.

## Feed Grain Farms In County To Be Surveyed

A survey of all farms in Madison county which produce feed grains will get underway in the next day or so, according to Edwin C. Rethmeier, chairman of the County Agricultural Stabilization and Conservation Committee.

The survey is being conducted throughout the "major feed grain producing area" (which includes Madison county) as an advance step in connection with proposed feed grain programs now under discussion. The proposals would include adjusting the 1961 acreages of feed grains which are corn, grain sorghums, oats and barley.

To put such a program into operation for 1961 crops in a manner which would be fair to all growers, accurate data must be obtained immediately for the possible establishment of feed grain base acreages for all farms in the major feed grain producing area. Such information will include the acreage, history of corn, grain sorghum, oats and barley, as well as the acreage devoted to other crops and land uses, for all farms in the area where one or more of these feed grains were produced within the past two years.

Farmers who supply feed grain and other acreage figures at this time will not be obligated to participate in a feed grain program. However, Rethmeier points out that a program can be quickly put into operation if the necessary farm acreage information is on file at the county office. He asks farmers' cooperation in providing information that will be needed before a program can be put in effect.

Rethmeier said in Madison county "it is the intentions to obtain the acreages of feed grains and other crops on all farms by ASC representatives or owners. This farm-to-farm survey will be carried out from March 4 to March 17."

It farmers will review the crops raised during the past two years, and have such information available, they will enable ASC to carry out this work faster and more economically," the chairman said.

## Michael Mundy Picked For Scholarship Entry

Michael Mundy, 18, son of Mr. and Mrs. Thomas Mundy, 1912 Joy avenue, a mid-year graduate of Granite City high school, was selected to represent the local Junior Chamber of Commerce in state competition for a \$1000 college scholarship.

Mundy, number one scholar in his class with a grade average of A minus, becomes eligible for the scholarship sponsored by the Illinois Jaycees and the Pepsi Cola Bottling Co.

His next step will be to make application and enter the competition in Chicago. One winner from schools throughout the state will be chosen.

Selection was based on scholastic achievement and participation extra-curricular activities.

## Jaycees Map Plans For Future Events; Enroll 3

The Junior Chamber of Commerce mapped preliminary plans for several events and admitted three new members in a meeting last night.

New members include Robert Switke, of Miller-Wolf Realty; William Craven, of Phoenix Mutual Life Insurance Co.; and Lyle Gonnell, of Bud's Standard Service Station.

Projects discussed included an art contest to be held at Granite City high school sometime this spring. Robert Schwartz was named chairman of a committee to make arrangements and set the date.

At a meeting with Eugene Alais, school district attorney, to discuss the affair and present plans at the next meeting on March 15.

Also at the next meeting, the date will be announced for Miss Granite City Contest.

## Chairman of the committee to setup plans for the event is Lynn Roman.

In other action, the group set April 2 to April 5 for the observance of Jaycee Week. A "Booster Night" dinner will be given April 5, when the Distinguished Service Award will be presented to an outstanding person between the ages of 21 and 35, for civic achievement. Attending will be members and their employers. William Robertson is chairman.

The date also is expected to set up plans for the event is Lynn Roman.

## \$152,800 Madison Permits Include Bank Structure

Permits issued in the city of Madison during February authorized construction valued at \$152,800, including a \$150,000 building of the First National Bank in Madison.

The \$200,000 project includes \$150,000 for the structure and about \$50,000 for equipment. The bank is to move from its present location at 401 Madison avenue to the new site, 600 Madison avenue, this summer.

A 45x110-foot one-story brick building is to be erected on a 92x110-foot corner lot, which also will include a parking area and drive-in banking facilities. Ground was broken Jan. 10, and it is hoped to open the building by July 27, the bank's 27th anniversary.

Others obtaining permits last month included Alex Kostelci, who will remodel the kitchen, living room and bedroom of a home at 1682 Third street at an expenditure of \$2000. New plumbing fixtures and electrical wiring will be installed.

A permit was issued to Monroe Steiner, 1223 Market street for a 15x30-foot frame addition costing \$600. Olan Richardson will repair a fire-damaged home at 1919 Rhodes street at a cost of \$200.

### Mitchell Street Signs To Be Erected Saturday

Mitchell Kiwanis Club members will begin work Saturday in erecting the new street signs. It was decided at a meeting Monday night.

A mechanical drilling apparatus and ready mixed concrete will be ordered to begin the project. Holes will be dug, filled with concrete and the metal posts set in place. Brackets which contain the signs, will be applied to the posts.

The project will be carried on during next week and is expected to be completed by March 11, according to a Kiwanis spokesman.

The signs, the first to be installed in Mitchell, are the reflective-type. Street names are in white against a green background.

In other business, the club voted to assist the Mitchell Water District this week in passing out literature for the upcoming meeting at the Mitchell school on March 11, which deals with the discussion of a project north of U. S. Highway 66.

Club members tonight will go to a Centerville Kiwanis Club meeting to present a "builder's mail."

Nine East St. Louis Kiwanis club members attended the Monday meeting of the local club, in which seven local members were present.

The club also heard a report that tickets will be ready this week for a pancake-sausage supper to be held April 15.

**TAXES: C. JUNGELS 1924 EDITION**

## Meyer To Join Steele-Kunemann As Partner

Charles A. Meyer will join the Steele-Kunemann Insurance and real estate agency as a partner in the firm beginning next Monday, it was announced today.

Other partners in the agency located at 1318 Niedringhaus avenue, are W. J. Steele and Everett G. Steele.

Currently president of the Twilight Optimist club, Meyer is leaving his position as Illinois Power Co. commercial sales representative to join Steele-Kunemann, which was established in 1913 and is one of the oldest insurance firms in the Quad-Cities. The agency also handles real estate sales, home building and subdivision development, and is the developer of Norwood Terrace and Wilshire Manor.

At the local headquarters of Illinois Power, Meyer was in charge of the Certified Adequate Wiring program before becoming a sales representative. Previously, he was associated with Graham's Book store.

He was born in Granite City and is a lifelong local resident, graduating from the University of Illinois. He resides at 2215 Delman avenue.

A member of the United Fruit board of directors, Meyer serves on the advisory council of the Order of DeMolay and is active in the First Church of Christ Scientist of Granite City. He is a member of Masonic Lodge 977 East St. Louis Commandery 81 and several other Masonic groups.

**No Venice Permits**

No building permits were issued in Venice during February, a monthly report showed today.

However, a contest is scheduled in the Third Ward, where Louis Ratliff, 505 Mercedia street, and Eddie Mason, 531 Mercedia, are seeking election to the city council. Ratliff is a candidate on the Civic Improvement ticket, and Mason is running independently.

Others unopposed besides Dr. Lee, who resides at 1230 Klein street, are City Clerk William Ebersold, 804 Third street; City Treasurer Bernard Anderson, 604 Washington avenue; Police Magistrate Walter Edwards, 818 Third street; First Ward Alderman Edward Harry Buente, 921a Main street; Second Ward Alderman H. K. Swerby, 619 Broadway; and Fourth Ward Alderman William Griggs, 1030 Market street.

The Third Ward council post sought by Ratliff and Mason currently is vacant due to Walter Epperson moving from the city.

Deadlines for withdrawal of petitions will be Saturday.

**Trio Charged With Disorderly Conduct**

Charges of disorderly conduct were placed against three men arrested Tuesday night at Niedringhaus avenue and railroad tracks by local police and a detective from the Burns Agency. The charges were filed by the K. Woelher Corp.

Arrested were Paul Waylon Lassiter, 20, of 2223 Washington avenue; Jerry Donald Edlund, 21, of 2059 Cleveland blvd.; and Charles E. Smith, 24, of 2213 Washington avenue. Their bonds were set at \$500 and hearings before Police Magistrate Gasparovic were set for next Monday.

**Hand Grenade Found By Building Was A Toy**

A report that a hand grenade lying next to a building at 838 1/2 Niedringhaus avenue was received about 1:45 p.m. yesterday by Granite City police.

Investigating officers discovered the grenade was a toy.

## Voter Registration Ends Monday For JP Election

Registration for voting in the April 4 Justice of the peace and constable election closes next Monday in Madison county, and all persons who are qualified to vote are urged to register. Centers will be open in the Quad-Cities area through the deadline date.

Registration requirements are that a person be 21 years of age, or older on or before the election, a U.S. citizen; an Illinois resident 90 days; and a precinct resident 30 days.

Hours at the centers in this area are as follows:

Granite City — City hall, today, tomorrow and Monday, from 9 a.m. to 5 p.m.; Piling street, building, 1909 Poplar street, and Kirkpatrick Homes Recreation Center, Saturday from 1 p.m. to 8 p.m.; Tri-City Grocery, 3250 Nameold road, from 9 a.m. to 9 p.m. Saturday.

**Dr. Lee Assured Of Second Term As Venice Mayor**

Dr. John E. Lee, dentist and president of the First National Bank in Madison, is assured of a second four-year term as mayor of Venice.

First elected as mayor four years ago, he was the only candidate to have filed for that office in 1957-60, as the filing period closed Monday evening.

His late father, who had the same name and was a physician, held the office of mayor for many years.

Also unopposed will be six fellow members of the Civic Improvement Party, all incumbents.

However, a contest is scheduled in the Third Ward, where Louis Ratliff, 505 Mercedia street, and Eddie Mason, 531 Mercedia, are seeking election to the city council. Ratliff is a candidate on the Civic Improvement ticket, and Mason is running independently.

Also at the meeting, a Civil Defense film was shown, emphasizing survival methods should an attack be made on the city.

The club voted to donate four table lamps to the YMCA for use in the lounge.

Robert Johnson, chairman of Bicycle Safety Week, which will be held April 17-22.

Johnson will meet with two other Optimist Club representatives to map the safety program.

Harold Matsen, who recently returned from a Chrysler Sales Award trip in San Francisco, Calif., gave a brief talk.

Eleven members attended the meeting. Program chairman was Dr. Lee.

**Spot Bid Surplus Sale At Depot On March 22**

The Granite City Consolidated Surplus Sales Office will conduct a spot bid sale of government surplus property on March 22 at the Granite City Engineer Depot.

The property is located at Fort Leonard Wood, Mo., and the U.S. Army Support Center in St. Louis. Property offered on this sale consists of boots, clothing, filing cabinets, footlockers, adding and subtracting machine, miscellaneous hand tools and office supplies, among others.

Inspection of the property by potential bidders may be arranged by contacting the property disposal office at the location of the property. Sales brochures may be obtained by contacting the surplus sales office at the Engineer Depot.

## Maeras, 7 Of 8 Others On Ticket To Be Unopposed

Madison city election filing ended Monday morning, with one set of petitions filed on the last day. Ten candidates are listed for nine offices to be filled April 18.

A nine-member ticket headed by Mayor Stephen Maeras filed on the opening day Jan. 23, and there was no opposition until Monday, when Joseph T. Steele, 1812 Fifth street, submitted petitions as an independent candidate for alderman of the Second Ward. He will oppose Alderman Benjamin Ebersworth, 1661 Second street.

Petitions also were issued to potential Third Ward and Fourth Ward aspirants, but neither filed.

They were Steve Giesman, 809 Lee street, and Louis Kraus, 1014 Iowa street.

Incumbents running for reelection without opposition are Mayor Maeras, 810 Iowa street; City Clerk Perry Lux, 1537 Third street; City Treasurer Demos Nicholas, 1548a Fourth street; and Alderman John J. Bridick, 1617 Second street.

Also running on the Improvement Party ticket and unopposed are Louis Sam Kisser, 1307 Harris street, for police magistrate; Charles Costello, 1225a Madison avenue, for the Fourth Ward aldermanic post of the late Paul Klyshko; and Venice township Democratic chairman.

Kisser, a retiring Nameold township clerk and justice of the peace, has been handling most Madison police cases since John Gitchett became an assistant state's attorney. Gitchett was elected as magistrate four years ago but became inactive upon the appointment by State's Attorney Dick H. Mudge Jr.

The withdrawal period will end Monday.

**Driver In Accident Faces Traffic Charge**

A charge of failure to yield right-of-way was placed against J. L. Davis, 34, of 2721 Sunset drive, who was involved in a two-car accident Tuesday night at Wayne and 311 avenues. He posted his driver's license as bond.

Police said Davis was traveling south on Wayne avenue, while the other car was being operated west on 311 avenue by Otto A. Schoeber, 64, of 3135 Rodger avenue. No injuries were listed.

**Charged With Speeding**

Two motorists were arrested about 1:30 a.m. today at Nameold and Johnson roads on charges of speeding. They were Otis G. Gonnell, 25, of 3309 Wabash avenue, and Bobby Watkins, 29, of 705 Madison avenue. Gonnell put up \$11 cash bail, while Watkins posted his driver's license as bond.

## Kiro Naumoff, 76, Dies At Oak Park Hospital

Kiro Naumoff, 76, of 1750 Olive street died of a heart attack at 5:15 a.m. yesterday at West Suburban Hospital, Oak Park, Ill., where he had been a patient for three days.

Before entering the hospital, he had been visiting a daughter, Mrs. Chris Dineff, who lives in nearby Argos.

A native of Macedonia, he was a Granite City resident for 56 years.

Mr. Naumoff was a member of the Holy Trinity Bulgarian Eastern Orthodox Church here, and the Greater Beneficial Union. He was a retired employee of the American Steel Foundries and General Steel Castings Corp.

Surviving are his wife, Helen; four sons, Ernest, Granite City, Ill.; Alliance, Ohio; Ted, Argos, and Lincoln Naumoff, Detroit, Mich.; a daughter, Mrs. Dora Dineff; seven grandchildren and four great-grandchildren.

Funeral arrangements are given in the obituary column.

## Voter Registration Center Added In Venice

The Tri-City Grocery, 420 Broadway, Venice, has been added to the list of voter registration centers for the April 4 justice of the peace and constable election, according to Miss Eulalia Hutz, county clerk.

Mrs. Andrew Brown, deputy registrar, will conduct the registration.

Registration may be made from 10 a.m. to 6 p.m. Persons must be registered not later than Monday to become eligible to vote in the election.

**Welding Torch Sets Fire To Insulation**

Firemen from the Nameold road station were called about 5:35 p.m. Wednesday to 3315 Franklin avenue, where a welding torch had set fire to insulation in a tractor-trailer truck owned by Fred Reor.

No estimate of the damage was available.

# Collinsville Musts Madison For 25th Straight

## GC Plays Tigers Tonight, Winner Meets Kahoks For Title On Friday

### Warriors Top Wood River, Madison Clips Lincoln In First-Round Play

The Kahok war canoe, which Coach Vergil Fletcher and Collinsville's basketball-bolmy fans hope can be paddled all the way to Champaign this month, passed unscathed through some of the roughest rapids in the river here last night.

The state's No. 1 ranked prep case team shook off a determined fourth-quarter rally by arch-rival Madison, won its 25th straight game of the season and advanced to the finals of the Granite City regional tournament, 84-75. It marked the fourth time Collinsville has defeated Madison this season.

The victory moved the Kahoks into the championship round of the tournament. Tomorrow at 6 p.m., they will meet the winner of tonight's Granite City-Edwardsville semifinal contest for the right to enter the Wood River sectional tournament March 8-10.

**Warriors Tread Semifinals**  
The Warriors reached the semifinals Tuesday night with a 69-64 win over Wood River, after Edwardsville had advanced by trimming Alton 73-48 earlier in the evening. Game time tonight is 8 o'clock, with the survivor meeting Collinsville at the same hour Friday.

An estimated 3000 fans packed

hoks breezed to a 23-16 first quarter lead, taking quick advantage of numerous Madison floor mistakes.

**41-29 Halftime Lead**  
By halftime it was 41-29 Collinsville, with Bob Basola, who is usually content to play a good floor game and leave the scoring to his teammates, popping in 12 of his 14 points in the first half. Fletcher's crew maintained a lead of from 10 to 14 points through the third quarter but never was able to break the game open as it has done against so many opponents this season. Madison, despite a total of 17 bad passes and interceptions, hung in to defeat the Warriors, 84-75, as the final period began.

**Hill 13 Straight Points**  
Then Earl McClanahan's clan caught fire. Led by Don Freeman and Dan Hrysko, the Trojans pumped through 13 straight points while Collinsville went scoreless. Madison tallied those points in just two minutes, and it was a hand new ballgame with 5:58 left, 61-61.

Riddle hit a pair of free throws and it was 63-61 Collinsville. Back came Walker with a jumper to tie it again at 63-61, and then the Madison rally died as Walker committed his fifth personal foul.

**Free Throw Mixup**  
Even the officials seemed to be affected. When Griggs fouled Guard Bobby Meadows after he had stolen the ball from him, the men in striped shirts mistakenly awarded the throw opportunity to Riddle, who was nowhere near the infraction when it occurred.

Riddle hit both ends of the bonus opportunity and, when he was fouled while dunking a layup a few moments later, was all over for Madison, 83-73. Indeed, fouling Riddle was pure poison all evening. The Madison transfer hit 12 of 12 chances from the line, and the Kahoks as a team missed only five of 35 chances there for a white-hot .857 average.

**Kahoks Shoot 97%**  
Their shooting from the floor was almost as phenomenal. 27 baskets in 47 attempts for 97%. Madison also stuffed the ball through with enough regularity to win — against anybody but Collinsville. The Trojans were 23 for 50 from the field and .733 at the free throw line on 28 conversions in 34 tries.

Fletcher, who sat with head in hands during the Madison comeback, was perspiring almost as much as his players in the dressing room after the game. He reiterated what he had observed several times earlier in the season when he said, "I still think they're (Madison) the toughest, most dangerous team we've played all year."

Madison, which ended its season with a 19-3 record, just was not quite tough enough.

The scoring: Collinsville—Fred Riddle 26, Bogie Redmon 23, Bob Basola 14, Bob Simpson 12, Bob Meadows 8, Ron Mottin 1, Than Byrkit 0, Joe Brennan 0, Ron Matkitis 0, Madison—Don Freeman 24, Dan Hrysko 21, Ed Walker 12, Ken Griggs 12, Mick Gravelle 4, Bob Haynes 2, Charles Venarsky 0, Shirley Barton 0.

GC-Other Game Well-Played  
in what most observers thought to be the most deftly-

played contest of the regional quarterfinals. Granite City's Wood River Tuesday night, 69-64, behind the steady shooting of Frank Knight and some clutch basket bombing by John Grobowski.

**Olbers Lead Once**  
Wood River led just once, early in the first period when buckers by John Heck and Larry Strahan and a pair of gifts by Gary Lane boosted them to a 6-2 advantage after Jim Simpson had hit the first shot of the game, a long jumper, from the side.

Knight wrapped two fielders around a free throw to give GCIS a 7-6 advantage, and the Warriors were on the long end of the score thereafter, although there were some anxious moments for Granite City fans before the final gun.

The Warriors led by as many as eight in the second period with a sinking defense particularly effective against Lane, who had ripped Granite City apart the last time the two teams met by scoring 31 points.

But both Simpson and George Moore picked up their third personal in the second quarter and had to come out, and Wood River closed to 35-32 by halftime.

The Warriors surged ahead, 39-32 in the first minute of the third quarter, but Bob Borman hit three straight times from outside to pare the lead again.

**Grobowski Sparks Spurt**  
Knight, who hit at least three of his soft, spinning jumpers in each quarter, helped preserve the Warriors' slim lead until John Grobowski suddenly caught fire early in the final stanza.

The GCIS backliner hit once from inside and then drove in for three straight layups, and the Warriors suddenly found down the stretch.

**Stretch Lead To 65-49**  
Borman and Bob Blackledge then inserted by Coach Bob Horton in an effort to give Wood River some out-court firepower, pecked away from outside effectively, but the Warriors stretched their advantage to 65-49 before going into a semi-stall in the final minutes.

The Olbers fired 30 shots in the wide-open fourth quarter, and ended the game with a 379 shooting average. Granite City, thanks partly to Knight's accuracy, ripped the nets with 27 fielders in 51 attempts for a fine 53%.

Wood River and Granite City had split a pair of games during the regular season, and the Tuesday night loss dropped the Olbers to 10-13 for the campaign.

The scoring: Granite City—Frank Knight 27, Jim Simpson 16, John Grobowski 12, Harry Thurall 7, Max Prusak 4, Grant Takamajan 2, George Moore 1, Glen Hoffman 0; Wood River—Bob Borman 17, Gary Lane 16, Bob Blackledge 15, Mike Ufert 8, Larry Strahan 6, John Heck 2, Ron Milligan 0.

**Tigers Break Losing Streak**  
Edwardsville, which had dropped seven straight before plastering Alton in Tuesday night's first game, was heartened by Tom Penitton's return to the lineup.

The stocky forward led scorers in the ballgame with 22 points and pulled down nine rebounds, second only to teammate Otis Vaughn's 14, as the Tigers routed Alton 73-48.

The Redbirds, who threw a real scare into highly-rated Pinckneyville last Friday in their final regular season game, could seem to do nothing right Tuesday.

They threw the ball away about as often as they were able to bring it down and set up an offense, shot a sub-par .327 from

the field and hit just half of their free throw opportunities.

**Edwardsville Shoots 500**  
The Tigers hit 28 of 56 shots, they took from the floor and were ahead 22-17 by intermission. They moved even further ahead by outscoring Alton 17-10 in the third period.

**High-scoring Sam Stampley**  
of Alton was checked with just six points, and the only Redbird player who managed to find the range for more than 10 was Larry Shoemaker, who totaled 16. Alton finished the year with 12-12 record.

The scoring: Edwardsville—Tony Penitton 22, Ken Conner 15, Mickey Mateyka 15, Otis Vaughn 12, Gary Schumacher 7, Roger Capps 6, Terry Barton 5, Sam Stampley 6, Bob Jones 4, Howard Neal 4, Joe Stock 3, Ed Dancy 0, Rogie Wilson 0.

**Easy Winners Monday**  
Neither the Kahoks nor Madison had much difficulty in defeating opening-round opponents on Monday night before a jam-packed house.

Roxans managed to stay close to Collinsville until midway through the first period, and then faded fast before the firepower of Bogie Redmon, who scored 20 of his 29 points in the first half.

Redmon received able support from Bob Simpson, Fred Riddle and Bob Basola in the scoring department, and the Kahoks hung up No. 24 in a row, 51-38.

Ron Thomas, a good outcourt shooter, kept things from developing into a complete rout by hitting 19 points for the Shells, who ended their season with a 12-12 record.

Collinsville shot a sizzling 83% from the field, and had the game stowed away by halftime, and then faded fast before the Warriors cleared his bench with just under four minutes remaining in the last quarter.

The scoring: Collinsville—Bogie Redmon 29, Bob Simpson 15, Fred Riddle 14, Bob Basola 12, Bob Meadows 8, Ron Matkitis 4, Ron Mottin 2, Than Byrkit 0, Mel Meyer 0, Joe Brennan 0, Ron Thomas 19, Craig Davidson 11, Ed Parsons 11, Darryl Hall 5, Fred Hughes 4, Joe Dugan 4, Reggie Sparks 2, Larry Meyer 2, Steve Taubee 0.

**Early Foul Trouble**  
Several Madison regulars got into early difficulty with personal fouls in the contest with Lincoln of Venice, the Triad district winner, but the Rams had an unusually poor night from 12 points.

the floor as they shot only 32% in shooting 38-60 set-back.

The Trojans, boosting their season's mark to 19-4, hit 33 of 63 shots for a sparkling 52%. Forty-eight fouls were whistled in the contest, which featured a continuous battle for rebounds under both backboards.

**Hrysko, Hall Get 28**  
The Rams also had trouble mixing at the free throw line, converting only 24 of 42 attempts. Game scoring honors were shared by Madison's Dan Hrysko and Lincoln's Tommy Hall, each of whom counted 11 times from the field and totaled 28 points.

The Venice Lincoln school, which completed its season with an 11-8 record, never led in the contest, although the Rams pulled to an 8-8 tie midway through the first quarter.

Madison hit exactly half its shots in the first two quarters and led by 18 points at the midway point, 41-23. Hall unsuccessfully tried to bring the Rams back in the second half, scoring 13 points.

The scoring: Madison—Hrysko 28, Ed Walker 16, Mick Gravelle 12, Ken Griggs 8, Don Freeman 8, Bob Haynes 6, Ed Petty 4, Charles Venarsky 4, Terry Andrews 1; Lincoln—Tom Hall 28, Bob Chavis 11, Charles Hatter 8, Earl Crawford 5, Henry Rice 5, Eugene Cox 3, Edgar Buckles 0, Archie Taylor 0.

**Falcons Run Record To 29-2, Defeat Kiwanians 59-53**  
Sacred Heart parochial school of Granite City clipped the Southwest Kiwanis club of St. Louis for the second time this season Tuesday night in a boys' basketball game in St. Louis, and ran its record to 29-2 for the season. The final score was 59-53.

The Falcons trailed 24-23 at halftime, but relied on free throw accuracy in the late going to grab the lead and hold it. Sacred Heart hit 12 of its last 14 attempts from the charity line.

Vince Debeve of the Falcons led all scorers with 21 points. Bob Niemeyer scored 19 for Southwest Kiwanis and Bill Moran 15 for Sacred Heart. The Choutau Valley conference champions have one game remaining this season — with St. Mary's of Madison. A date for the contest has not yet been set.

Sacred Heart's junior varsity team dropped a 46-38 decision in Tuesday's first game. Mike Fritchard led local scorers with 12 points.

### COLLEGE GROUP ORGANIZING TO PROTECT NATIONAL HERITAGE

We must be aware now of what is to be done in order to have a unity of the people. First we must rid ourselves of this complete apathy towards our national heritage, which is the political side of America. Down through the ages, our forefathers have passed on to us an ever important job, which is to keep America ahead of the race for Democracy. How are we to attain this standard within our society if the people in America are reluctant to take a stand, and find out what is going on in America today.

How many of you people voted in the last election for the President? If you did vote how many of you know what you voted for the particular candidate you chose to vote for? Did you vote for him because you thought he was handsome? Or maybe you voted for him because your family down through passing generations have voted for the same party consistently. Does anybody know what the real issues of the last campaign were? Does anybody care? Perhaps some of you voted Democrat, because you thought that once the Democrats are in power, job opportunities are greater. Does anyone remember reading about the Cleveland Administration during the year of 1893 when America was in a state of depression. Then there were those who voted Republican because the Republicans keep America out of war. Does anyone remember reading about the Spanish American war, in which the McKinley Administration was in power? The intentions here are, not to discredit either party, but rather to destroy the myths which you, the people are under. Under these myths, or perhaps others, you as citizens have taken the path of complacency, not really caring to understand what the real issues are. It has often been said that "As Americans we take Democracy for granted," wouldn't you say this is true?

Now that President Kennedy is in power, how many of you people listened to his inaugural speech? Are you aware of what the President meant, when he said, "Ask not what our America can do for you, but ask what you can do for America." It is believed that President Kennedy is sincere in his attempts to make America stronger in all phases of her existence. If you feel that this has moved you towards a better understanding of our political heritage, then this is an opportunity for you to contribute your efforts in a common cause. If you are interested, then you are welcome to join the Young Jeffersonians Club of the Tri-City Area, by simply

contacting Mr. Pete Stieb or Mr. William L. Gushleff between the hours of 2 to 4 this Sunday afternoon. The telephone numbers are 7-2217; Pete Stieb TR 6-5698. For additional information call these numbers. By the way, Republicans are welcome.

### SAYS TAX MONEY NOT FOR CHURCH SCHOOLS

Dear Believers in Religious Freedom and Democracy:

President Kennedy has presented his federal aid to education bill. It is not aid for church schools. Bishop Shehan of the National Catholic Welfare Conference is appealing to Congress to seek out every means within the Constitution to assist parochial schools with this bill. Let's stop Bishop Shehan!

Church schools and church instruction are not governmental budget items to be financed with public tax funds. Our public school system is available for all children. Anyone who wants special religious training or other special privilege of instruction should finance his own program of education completely. We have no right to seek tax money to support our Sunday Schools, or our Vacation Bible Schools, or our parochial schools. Likewise parochial schools that use strictly religious instruction to primarily promote religious instruction should not be allowed one cent of public tax funds.

Let's be alert! Let's preserve separation of church and state by demanding Congress and the President of the U. S. enforce and keep this most valuable provision of our Constitution! Write federal leaders today and keep religious freedom available to all through separation of church and state. Religion is a personal responsibility not a public tax fund account!

Your very truly,

DORIS M. MANN

### SUGGESTS MORE STUDY OF FLORIDA ISSUE

Mr. C. E. Townsend, Editor

Granite City Press-Record

Granite City, Illinois

Dear Mr. Townsend:

I have listened attentively to public officials, lawyers, doctors and dentists give their opinions on fluoridation: both publicly and privately. All these pro and con discussions have convinced me; there is enough intelligent opposition to this proposal; to warrant further study of the best and also the worst effects of fluoridation.

I certainly would not be afraid of any drug prescribed by my own doctor, because I trust him to treat me as an individual. The dosage in my prescription is controlled by his most capable instruction. His skill and capability was earned through perseverance, dedication and personal sacrifice.

When Mom serves Junior his first formula, she wants to be sure his food is nourishing, nutritious and sanitary. His cod liver oil is measured with accuracy. Dear trustworthy Dr. is consulted on every phase of the beloved child's growth. Parents want nothing less than the best for their children; and as a community, we are concerned with the health of all children.

If our dentists feel that fluoridation is beneficial to the tooth, why not apply to the teeth only: right in the dentist's office? It could be added to the toothpaste. There are probably many economical ways that fluoride could be put on the market commercially. Water is a requirement for the human body, and there is no substitute. However, the intake of water varies as to individual thirst, and this is the point where we should be concerned. While fluoride may be controlled to a degree in our water supply, shouldn't we investigate the possibility of a thirsty child or even an adult drinking more than what would be considered a safe amount?

I am frankly puzzled as to the reason for bringing fluoridation to a vote at this particular time. Is pressure being exerted in the form of a major issue, just to get the people out to vote? If so, then we should have a record breaking turnout on election day; because this is surely the most controversial subject I have ever heard discussed. The people of our City would certainly appreciate your help insofar as the printing of any articles or opinions on fluoridation.

Sincerely yours,

LILY P. CHABOUDE

### WADING POOL SOUGHT FOR TRI-CITY PARK AREA

Granite City Park Board,

Barry Loman, president:

In canvassing my Ward for votes for myself, I have run into several ladies who asked me if we are going to have a small wading pool for the children for this coming summer and I told the ladies that I requested that from the park board as long ago as last summer.

From all indications, the park board talks a lot about a lot of money for a skating rink, but we are going to have a little more here, if possible.

### FELLOWSHIP MEETS

The Christian Youth Fellowship met Sunday night. Choir practice was held before the meeting, with Mrs. J. G. R. presiding. The group attended the "pioneer school" for one hour, and a business meeting was called to order by Allen Kennerly.

David McKel passed out tickets for a chicken dinner March 18, and tickets will be sold until March 12.

It was decided to have an executive meeting yesterday evening at the home of Mr. and Mrs. Clay Rush. Mary Crouse was in charge of recreation. The meeting was closed with the "friendship circle" led by Barbara Byrnes.

Refreshments were served by Allen Kennerly and Larry Peppers to Carolyn Butler, Bill Mertz, Leroy Lassiter, Warren Nash, Peggy Lipford, Mike Vanille, David McKel, Marlene Walker, Barbara Byrnes, Mary Crouse, Carlene Butler, Martha Spengler and Cheryl Rice.

### YOUTH PARTY

The Pontoon Church of Christ Youth for Christ held a future occupation or "secret desire" party Monday evening. A sack lunch was served and table tennis were enjoyed by the group.

A short business meeting was conducted, and plans for the next party were discussed. All were in costume.

Refreshments were served to Hester and Norman Hahn, Paul and Sharon Weiland, Ronnie Jamerson, Phyllis Hicks, Raymond Closs, Carol Boyer, Pearl and Leroy Lassiter, Janice Sykes, Linda Floyd, Sue Cook, Mary Sanders, Ruby Scott, Harry Ellsworth, Glenn Moore and Mrs. Margaret Moore, teacher and youth sponsor.

### CUB PACK 23 DINNER

Cub Pack 23 held a pack meeting Tuesday evening at Stallings school and opened it with a pot luck dinner.

The tables were decorated in a blue and gold theme. The meeting opened with the pledge, and short plays were given by Denise Two, Three and Four. The Cub played a game, and the pack was won by Robert Fisk. The parents had a puzzle to work.

Awards were given to Frank Mehlke, Mike Barton, Richard Leonard, Dennis Morris, Bobby Lowell, Ronnie Wilson, Russell Hamilton and Leonard Walker. The meeting closed with the boys forming a "living circle" and saying the Cub promise. Guests at the dinner were Mr. and Mrs. Dan Brown and family.

Brownie Troop 75 met Tuesday night with Mrs. Mary Lee Krohne. The meeting opened with the pledge and prayer, and the girls practiced music for their band.

Three girls from Troop 59 taught the girls a flag ceremony and how to fold the flag. One girl told what her badges represented. The meeting closed with "Taps."

Those present were Laverne Prill, Pamela Britton, Patty Jacobs, Beverly Hankin, Susan Krohne, Paula Elliott, Rita Sue Ernst, Brenda Simmons, Margaret Wilkerson and three girls from Troop 59, Stareta Phelps, Diane Thompson, Alice Asher and their leader, Mrs. Judy Stille.

Boy Scout Troop 23 met Tuesday night at the Long Lake fire hall with Scoutmaster Willard Hicks, Jacob Getteman and Herb Polley. The patrols were reorganized and the boys discussed selling items to raise funds.

Those present were Mike Abernathy, Dennis Boyer, Charles Polley, Skip Dean, Willard Hicks Jr., Alan Getteman, Larry Dayton, Dale Werner, Bill Ashby, Donald Dayton, Jan Bailey, Glenn Ashoff, William Burrows, Jimmy Stevens, Ernie Mills and seven scouts, Jimmy Daughn, John Jones, Richard Jones, David McBride, Danny McBride, Richard Turnbull and Ronnie Briggs.

Den Four of Cub Pack 23 met Monday evening with Mrs. Evelyn Bringer. The pledge was led by David Dayton. The boys sang, practiced a play for the "blue and gold" banquet, played a game and checked achievements. Chili supper tickets were given out.

Michael Black, a new Cub scout, joined the den. The meeting closed with the "living circle." Refreshments were served to Larry Harvey, Dennis Bringer, Herb Williams, David Dayton, Michael Norton, Edward Van Scoyk, Dennis Morris, Scottie Rushing and Michael Black.

A daily vacation Bible school workshop was held at the Community House in Alton Tuesday night. Those attending from the Pontoon Church of Christ were Mrs. Irene Dawes Paula Wellman, Mrs. Mary Dudley, Jane Loman, Wilma Mendenhall, Margaret Moore, Maybelle Van Scoyk, Mr. and Mrs. Frank Murphy, Mr. and Mrs. Kenneth Frey, Mr. and Mrs. Dick Bolton and Carlos Ellis.

Singers from the St. Louis Christian College will be at the Pontoon Church of Christ Sunday, March 5.

## Den Three of Cub Pack 23

met Tuesday evening with Mrs. Betty Walker. The meeting opened with the pledge and the boys checked dues and achievements, worked on centpieces for the "blue and gold" banquet, practiced a play, "Bedlam at the Capitol," and played games.

Chili supper tickets were distributed to the boys. Those present were Leonard Walker, John Reale, Gregory Walker, Bobby Rumselmer, Frankie Mehlke and Leo Sprankle.

GO TO CHURCH SUNDAY

## Intermediate Girl Scout Troop

met Tuesday evening with Mrs. Corrine Kreher, assisted by Mrs. Florence Deatherage. The girls practiced a flag ceremony, discussed a window display for Girl Scout Week, turned in arts and craft projects for display and closed with "Taps."

Those present were Janice Kreher, Stephanie Deatherage, Dorothy Belger, Linda Hamilton, Karen Deatherage, Cheryl Flak, Virginia Glenn and Peggy Busby.

## Whose Mayor Is Leonard Davis?? NOT THE PEOPLE'S!!

On Monday, July 13, 1959, the Press-Record reported that Mayor Davis appeared before the Tax Review Board in the Court House and stated that Granite City Steel's tax cut of \$454,061.00 gave him "personal pleasure" and that "he believed too high of an assessment would be a hardship for the Steel Mill."

Has Davis saved your taxes are too high or a hardship on you?

On February 6, 1961, the St. Louis Post-Dispatch reported that all the Madison County railroad taxes would be cut \$731,413.00 (by the State Department of Revenue) and that "no reason was given for the cut!" This means Granite City will get less taxes from the railroads running through our town and the citizens will have to pay more taxes to make up the difference. What have you done about this, Mayor Davis?

Or does this give you "personal pleasure" too?

Why do you force "gold-plated" engineering contracts on our citizens — to give your secretary a secret salary of \$165.00 per month from the out-of-town engineer? What does she do for the money and when does she do it? If she does the work during the day, she's doing it on city time and getting double pay!

Is this the type of Davis efficiency that has caused our taxes to go up every year?

## Two Laclede Steel Co. Employees Retire

Two employees of Laclede Steel Company's Madison Works retired recently after combined service of 37 years with the company. They are Alex Mikolaczuk and Otis Green, both spiral machine operators in the Shipping Department.

Mikolaczuk, born in Poland in 1892 arrived in this country in 1909 and settled in the St. Louis area. He took his first job with Anheuser-Busch breweries, working as a vat cleaner.

Later he was employed by the American Cae and Foundry Co., Madison. He hired in at Laclede in 1927, worked until 1935, and after a brief furlough, returned to the Madison Works in 1938, his seniority date. He lives at 1226 Douglas street, Madison.

Green, a resident of 911 Webster, West Madison, was born Jan. 1, 1884, at Bageville, Miss. He worked there on a farm until he entered military service in March, 1918.

Green went to Laclede in February 1946, and worked for 14 of his 15 years with the company as a spiral machine operator in the Shipping Department.

He has been a deacon of the Southern Baptist Church for 25 years.

## SIU Board Hires Smith As Humanities Lecturer

Southern Illinois University's board of trustees today approved the appointment of Michael N. Smith as a lecturer in humanities.

Smith, who will teach Russian at the university's Southwestern Illinois Campus this coming year, holds a master's degree in Russian from Indiana University. His A. B. degree, also in Russian, is from the University of Missouri.

Assistant professor at Inter-American University, Puerto Rico, this year, Smith is engaged in writing a textbook for elementary Russian.

John D. Randall, approved by the SIU board of trustees Feb. 3, began his duties yesterday as assistant university architect.

Partner in a Chicago architectural firm since 1946, he will have his office on the university's Edwardsville Campus and take an active part in the planning of its development, according to SIU President Delyte W. Nave.

ever built, and a second continuous galvanizing line. Work will begin this year and be completed in 1962 on a continuous annealing line for tin plate steel.

By expanding now, Veeder said, Granite City Steel is able to adjust its productive capacity to the "long-term growth prospects" of its Midwest, South and Southwest market areas, and to "take advantage of technological breakthroughs in key areas of steelmaking."

As examples of the latter, he mentioned the growing efficiency of the blast furnace process for producing pig iron for charging into the steelmaking open hearth furnaces, and the use of oxygen to increase open hearth productivity.

The expansion program will also strengthen "Granite City Steel's ability to capture a

The company will begin in the first half of this year to produce "thin" tin plate on its new Sendzimir mill. When the second continuous galvanizing line goes into operation in late 1961 Granite City Steel will enter the growing market for flat galvanized sheets. Most of the company's present output of galvanized steel is consumed in the form of corrugated roofing and siding.

## 'Square Dance Jubilee' At GCHS On March 14

Youngsters who are participating in the Granite City park district's square-dancing program this winter will present a "Square Dance Jubilee" on Tuesday, March 14, at 7:30 p. m. in the Granite City high school gymnasium.

Over 450 young square dancers, boys and girls, will participate in the program, and there will be as many as 48 "squares" performing on the floor at one time. Park Recreation Director Harold Brown said.

Specialty numbers are also to be provided by each of the four centers where square-dancing was taught this winter — the Nameoki, Wilson, Niedringhaus and Logan school areas.

In addition, three specialty numbers will be performed by a costumed group known as the "Tadpoles." All the participants will join in a grand march to conclude the program.

Square dance school diplomas will be presented to the young people at the conclusion of the program by park district commissioners.

The program is open to the public free of charge, but parents of the youngsters participating will be given ticket preference. Tickets may be obtained at the Granite City park district office.

The park district's square-dancing program is currently concluding its fourth consecutive season, and this year attracted more youngsters than any other phase of park activities for youths.

Mrs. Martha Warren, 2317 East 19th street, entertained the Wednesday Evening pinochle club last night.

Nine were present and those who excelled and received awards were Mrs. Bernice Chastain, Mrs. Brenda Austin and Mrs. Janet Reynolds.

## 25 YEARS OF RECORD South Venice

The following items were taken from the files of the Granite City Record

Thursday March 2, 1936

Approximately 800 employees of the American Steel Foundries in this city received pay increases varying from five to slightly more than 10 per cent.

The raises started Monday and the security increase in four months.

Madison high school coaches by Paul Rohe, are the 1936 champions of the Madison-St. Clair Conference, following their eke out 28-26 victory over East St. Louis Friday night in the season finale. They closed the season with 10 wins and two losses.

By virtue of their unexpected victory over Granite City Friday night, the Collinsville Hawks moved into third place. Granite City split two games over the weekend, by winning from Alton, 29-23, the following night.

Battling against much stronger opponents, the Venice high school basketball team romped through two opponents in the district round at Highland and then won the championship Saturday in a spirited tilt with Troy, 28-27. Venice will now advance to the regional tourney, also at Highland.

The Knights of the Altar held a regular meeting on Monday evening at St. Mark's Church. A brief business meeting was held, and Sister Mary Ruth, the instructor, talked to the boys about a ceremony to be held Sunday, during which Father McCarthy will present pins and certificates to the server boys. Boys who will serve at the masses on Sunday are John Koelker, Nay Shambo, Joe Ponce, Larry Miller, Michael Lopez and Richard McIntosh.

After the business meeting was adjourned, refreshments were served to the boys.

Douglas Little was placed in charge of the Optimist Club's committee of the Optimist Club to serve as president.

Other officers nominated are: Arthur Roseman, Irby Todd and Earl Rogers for the next year's governors, two-year terms; and J. L. Douglas, Rosemary Ford, Edward Ennis, on the board for one-year terms.

The Mary Sleeter Circle elected new officers at a meeting Tuesday. Elected were Mrs. Hadden Jackson, president; Mrs. M. H. Allen, secretary; Mrs. Virgil Lindsey, assistant secretary and Mrs. J. D. Stroh, treasurer.

Community high school wrestlers forged into a first place conference tie with East St. Louis by defeating them 19-16 Friday night at East St. Louis. Elwood Holzschner, of the local team, scored one of the fastest falls on record, pinning his opponent in 19 seconds. Charles Turner won the final bout to tie the meet for the Granite City side.

Members of the Granite City Optimist Club entertained their wives Friday night with a dinner and an amateur program at the YMCA directed by Harry Wendell.

On the program were Leland Coffelt, who gave card tricks; Arthur Roseman, who played a piano solo; Rev. Alice Mrs. Harris Farland, solo duet, with piano accompaniment by Mrs. McFarland and a recitation by A. M. Wilson.

Scores of men and women over 65 years old have secured old-age pension blanks, from the post office headquarters here. No accurate count could be determined, but closest estimates are that 1000 are signing up to receive the benefits.

Approval is expected soon for the reopening of the Venice nursery school as a WPA project. Superintendent George said today.

John Theis, Edward Schmitt and Alec Toth were elected as delegates to represent their unions in the convention of the Amalgamated Association of Iron, Steel and Tin Workers which will be held at Canonsburg, Pa. on April 28.

Joseph G. Boggs, president of the First Granite City National Bank, has been appointed on the committee of the Illinois Tax Commission in Madison County to consider alleged inequalities of assessments against city and rural property.

The Kit Kat Pinochle Club met Tuesday afternoon at the home of Mrs. William Harris. Attending were Mrs. Ray Williamson, Mrs. A. H. Rudolph, Mrs. William Whitaker, Mrs. Wilbur Knowles, Mrs. Eddie Schramm, Mrs. George Shaffer, and Mrs. Abe King.

Three new members were enrolled in the Demolay Mothers' Club Tuesday evening at a meeting at the Masonic Temple. New members include Mrs. Edna Gowan, Mrs. Irene Hill and Mrs. Beulah Rupp.

The National Cemetery Memorial Committee of the Daughters of Union Veterans met at the home of Miss Beulah Spigel Monday evening. Present were Mrs. Cora Rhine, Mrs. Laura Bishop, Misses Louise and Irma Genard and Mrs. Cleo Liewellyn.

Attending the Ladies Aid society meeting yesterday were Mrs. W. J. Franklin, Mrs. Diana Renfro, Mrs. Harry Phillips, Mrs. Mollie Porter, Mrs. T. J. Stewart, Mrs. Charles Austin, Mrs. Elmer Pierce, Mrs. Maurice Robins, Mrs. John C. Gowan, Mrs. Frank Hill, Mrs. C. L. Binning, Mrs. Mary Jentsch, Mrs. C. O. Shumway and Mrs. Ralph Capehart.

HALTS lays down a chemical barrier that traps just about every crabgrass seedling that tries to pop up. HALTS can be spread any time up to second or third spring mowing. HALTS also controls grubs and slugs. There is no quick way to get rid of grubs and the predators which feed on them on either side insects. But spread HALTS early in spring and it will be ready to destroy the grubs and insects when they come up the surface as the soil warms. Once grub control is achieved, slugs and their allies will decide that your lawn is not place to dig for their next meal.

## Board Acts On Bids, May Seek School Grader

Small equipment costing a total of \$3917 was purchased for school cafeterias Tuesday night by the Granite City school board, acting on bids from seven firms. Based on low bids that met specifications, the board ordered equipment costing \$2065 from Ford Hotel Supply Co., \$1299 from Peerless Hotel Supply, \$278 from Switzer's Wholesale, \$143 from Mound City China, \$106 from Bensinger's and \$27 from A. F. Schmidt Co.

Included was a \$1391 steam cooker from Ford Hotel Supply for the high school cafeteria. It will be added to the present cooking equipment. New bids will be sought on an electric fan, plate racks, can opener gears and blades, vegetable peelers and polyethylene bags.

**Equipment For New Shop**  
The board purchased a \$310 40-inch electric stove and a \$206 refrigerator freezer from General Electric Co., St. Louis, and stoves totaling \$309 from Mill Supply for the new GCHS metal shop.

Bids were opened and referred to the administrative staff for tabulation on safety glasses, tumbling mats, a tennis table, folding cafeteria tables for Pro-hart grade school, tomato paste and "instant" potatoes.

Supt. Harold M. Kaiser reported receipt of \$3953 in surplus commodities in January and \$4531 in February, pointing out that present cafeteria operation would be "in the red" except for the food received.

Secretary Howard Kaseberg and Board Member Herbert Bischoff reported on a survey of available earth graders made with Supt. Kaiser. Four firms were visited, with prices of four used graders obtained.

It was learned that a large grader in need of extensive repairs may be obtainable at the Englewood Depot.

**Grade For Baseball, Parking**  
A board discussion resulted in a decision to check on the condition and availability of the Depot grader. Approval from the U. S. Office of Education in Chicago would be necessary. It was reported by Dr. Kaiser, who said a grader is needed for baseball diamonds, school yards, drive-ways and parking lots.

The superintendent credited the city street department of Granite City with aiding the school district with grading in the past, but noted that the amount of grading work needed is increasing with the growth in school campuses.

With Dr. Kaiser noting a need for landscaping at Prather Junior high, new elementary schools, the GCHS gymnasium and an adjacent addition, the possibility of planting seedlings was discussed.

Kaseberg recommended planting rows of seedlings or trees on unused school land so that others could be replaced quickly when they die or are broken. The procedure would reduce the overall cost, he commented.

North Central Conference  
Permission was granted for Dr. Kaiser and GCHS Principal Lawrence McCauley to attend the 1961 conference of the North Central Association of Secondary Schools and Colleges March 21-24 in Chicago.

The board accepted the resignation of Luther Paul, school chauffeur, who has taken other work.

During a discussion of bills listed for payment approval by the board, President Homer Huter urged that the administrators hold extra travel expenses to a minimum. A \$102-listing for extra transportation was approved.

The board authorized payments totaling \$31744 from the educational fund, \$1277 from the building fund, \$476 federal construction fund, \$237 new construction fund and \$146 transportation fund.

**Legion To Invite Vets To Join During March**  
"Operation Back All Post Legionnaires" is the name of a campaign to be conducted during March by Tri-City American Legion Post 113 in an effort to boost membership.

The post already has 441 registered members, as compared with 433 at this time last year. The new campaign is aimed at turning all eligible veterans to become Legion members during March.

Tri-City Post 113 will observe the American Legion birthday on March 18 with a corned beef and cabbage supper and a dance to be held at the post home.

The post's drill team will participate in opening ceremonies for American Education Week by posting the colors at a meeting of education officials in the Statler Hotel in St. Louis on March 13.

During Post 113's regular meeting Tuesday night Charles Mizerski, chairman of a 22nd district American Legion convention which will be held here the first week in June, said letters are being sent to other legions in the district urging that they send drill teams, bands, drum and bugle corps, floats to participate in a parade to be held here in connection with the convention.

### Counseling Topic Of Coolidge Jr. High PTA Unit

Guidance counseling was the topic at a monthly meeting of the Coolidge Jr. high held Monday evening in the all-purpose room of the school, Charles Jungels, president, conducted the meeting.

After a prayer reading, Jungels reported on the recent Area PTA Council recognition dinner held at the Granite City high school cafeteria, where Mrs. Ida Hanfelder was presented with a lifetime membership for her 33 years of PTA participation and service.

Mrs. Shirley Brown, assistant chairman of the Spring Study Show to be held March 16, reported on progress made by the committee. She stated that about 20 girls have signed to model clothes and about 11 boys to model clothes. She said the number of girls will be limited to 15.

Tickets may be purchased from PTA members and students, and part of the proceeds will be used to help members of the school band attend a music festival in Columbus, Ohio. A few members of the band have been honored with invitations to the festival.

Miss Helen Pettigrew, girls' counselor of the school, presented a program on the guidance and counseling program provided by the school. She explained that tests are given, beginning with the sixth grade and continuing through the high school, to help the student, teacher and parents better understand problems confronting each student, and to help select the course of study best suited to each student.

She warned against comparing one child with another, as no two children in the same family are alike. Comparing the better student with the poorer student can incite not only jealousy but make the poorer student worse and unwilling to try, she added.

Refreshments were served after the meeting. The next meeting will be March 27.

## Girl Scouts Preparing For Week—March 12

Girl Scout Leaders of Neighborhood Two met Tuesday evening at the Emerson school with Mrs. Wilma Hancock in charge. Announcement was of the international dinner to be held March 13 at 6:30 p.m. at the Madison Recreation Hall. The dinner had originally planned for Feb. 13 but was postponed. Each Neighborhood will contribute a covered dish with the various cuisines represented.

A speaker from the Management Club of the Granite City Steel Co. will be present at the March 28 meeting to show a film on "Selling America", in keeping with the general topic, "Freedom".

Window displays for Girl Scout Week which begins March 12 were discussed. The displays will be items made by the girls of the various Troops.

The Brownie cookie sale also was announced. It will get under way March 11 at 9:30 a.m. at the Washington Theatre. Volunteers were requested among the husbands of the leaders for work at Camp Lakota this spring, and a tour of St. Louis was planned. To be visited are the Art Museum, Jefferson Memorial and the Jello Box.

## Eagles Auxiliary Honors President

The birthday of Mrs. Viola Carey, president of the Eagles Auxiliary, was observed at a meeting Tuesday evening and she was escorted to the altar and presented with a decorated box filled with handkerchiefs and other gifts from the members.

During the business session, reports were given by a number of committees. Mrs. Angie Buehler reported for her committee on a recent visit to the Madison County Sanatorium in Edwardsville, where Norma Hemken told of a visit to the Madison Nursing Home. Mrs. Buehler also discussed plans for a social in the near future.

Members who observed birthdays recently presented gifts to the Memorial Fund and one of the number, Mrs. Margaret Johnson, was escorted and presented with a gift from the Auxiliary.

Refreshments were served by the Past Presidents club from a table decorated in keeping with St. Patrick's Day. Mrs. Alice Price was winner of the "white elephant" and the prize for the evening went to Mrs. Mary Strutman. Games were enjoyed during the latter part of the evening, and announcement was made of an officers' meeting to be held March 7.

Group Three of the Business and Professional Women's Circle of Central Christian Church was entertained Tuesday evening in the home of Mrs. Ruby Hart, 2302 Washington avenue.

Mrs. Velma Grant presided, and the worship service was led by Mrs. Florence Grant. The lesson study on the topic, "To learn in Missions," was presented by Mrs. Mona Willerson, a general discussion on "Missions in Foreign Fields" followed.

Refreshments were served by the hostesses to Mesdames Lois Bilberry, Florence Tempo, Neil Johnson, Blanche Lane, Mary Bilyeu, Elma Craddock, Viola Beck, Misses Pearl Gilbert, Editha Wied, Jane Harris, Jean Bilberry and those taking part on the program.

## Calvary Baptist YWA Meets

The Young Women's Auxiliary of Calvary Baptist Church met Tuesday evening in the home of Mrs. Mary Courtney, 2840 Palmer avenue.

The program topic was "Our Language. Please" and entertainment was furnished by Mrs. Audrey Brady, who has traveled extensively in Europe and showed slides of a number of the more interesting places visited.

Refreshments were served to Judy Pfaff, Judy Brooks, Patricia Pirtle, Frances Wallace, Linda Harrison, Joann Puller, Nita Patterson, Mary Courtney, Mrs. Brady, and the counselors, Mrs. Edna Harris and Mrs. Lois Bradford.

The next meeting will take place March 14 at the home of Mrs. Burl Patterson, 1822 Edwardsville road.

## Victory Mothers To Aid Veterans

Holding a monthly meeting Tuesday evening at the Old Fellows hall in Granite City, Victory Mothers Unit Two decided to send a \$50 contribution to Veterans Hospital at Marion, Ill.

A like amount is being sent to the state president for use in aiding hospitalized veterans. Plans were made to hold a bake sale in the near future.

Twenty-two members and a guest, Mrs. Fern Sam Soule, attended. The meeting was opened by Mrs. Minnie King, president, and memorial services were held, with the charter draped in honor of the late Mrs. Anna Strucke. Games were enjoyed later, and a lunch was served by a committee consisting of Mesdames Geneva Grundon, Sadie Peacher, Mabel Greer and Anna Harrison.

The next regular meeting will be held March 28 at the hall.

## Mrs. Earl Miller Hostess For Club

Mrs. Earl Miller, 1701 Garfield avenue, was hostess to the Lesche Literary Club Tuesday at her home.

After the dessert luncheon served to 15 members and a guest, Mrs. Ralph Z. Miller served. Mrs. Ernest Veil conducted the business session, Mrs. Sam Meyer, program chairman, presented the program, and a paper on "Legislation" was given by Mrs. O. H. Williams, followed by a round table discussion led by Mrs. Meyer.

The club's next meeting will be March 14 with Mrs. Lee Stevens, 2960 Iowa street.

MRS. ROBERT MARTIN HOSTESS FOR CLUB

Mrs. Robert Martin, 2423 Benton street, entertained her bridge club Tuesday afternoon. A dessert luncheon was served to nine and at the games following awards were made to Mrs. A. F. Bunte Jr. and Mrs. Irbay Todd.

## Col. Jeffrey Addresses PTA At Niedringhaus

Col. Jack Jeffrey, commanding officer at the Engineer Depot, was guest speaker Tuesday evening at a monthly meeting of the Niedringhaus PTA held in the school gym. His talk, which dealt with the relative positions held by Russia and the United States in economic advance, was illustrated with slides.

Lt. Billy H. Cox, chaplain at the Depot, gave the invocation and benediction. The colors were presented by enlisted men from the Depot in an impressive ceremony.

During the business meeting preceding the talk, a summary was given by Robert Karandjoff of the traffic safety survey conducted for the AAA and the membership voted to try the new safety regulations with revisions as needed.

The finance committee plans to make a small profit on the sale of children's T-shirts, samples of which will be available at the next meeting. The program at the March meeting will be presented by the Girl Scouts.

Refreshments were served after the meeting by the second grade mothers.

A report was made of \$2000 in U.S. Savings Stamps sold in the past six months.

# There aren't any more tough cuts!

Top Round on a rotisserie!

Rump Steaks oven-broiled or charcoal grilled!

# Swift's new ProTen\* Tendered Beef ends toughness in every cut!

Swift has perfected a tendering process that makes top round so tender you can cook it on the rotisserie! Now all cuts cook quicker and easier than ever before! And every tender bite brings you high-quality meat protein! (You can still make delicious, braised pot roasts and steaks, Martha Logan says prepare as usual, but take 15 to 30 minutes less total cooking time.)

Look for the label "ProTen Tendered Beef" on both Swift's Premium and Swift's Select brands.

**HOW PROCESS WORKS**

Swift's exclusive new tendered ProTen is a method of tendering beef from within, developed and patented by Swift & Company, with the approval of the U.S. Department of Agriculture. Natural enzymes in meat are supplemented by vegetable protein distributed throughout the meat tissue. (This new tendering method has no effect on the meat cuts until cooked in oven, grill or broiler. Then it releases amazing new tenderness never possible until now.)

## Council Debates Repair To City Dump Road

A 30-minute debate, interrupted by a 10-minute recess from 10:35 to 10:45 p.m., followed a motion made during Monday night's council session by Alderman Frank Nemeth for the city to improve a roadway over privately-owned property to provide access to the city dump.

The dump area is currently unsettled due to construction of a new highway over the area, and Nemeth, chairman of the Sanitation committee, said the owner of the roadway has been most cooperative, but weather conditions have made the road virtually impassable.

The motion was challenged by Alderman Donald Partney, who said the city has a contract with Melvin Pashea, paying him \$8800-a-year, plus salvage and garbage rights, to maintain the dump, including the road.

The recess was called by Mayor Davis when Partney asked Comptroller John Doornik to check the contract to determine if the provision was included.

Partney amended the original motion for the city to proceed with the repairs but to deduct the cost from the next monthly payment to Pashea.

The owner of the roadway, Steve Barzoff, was present and said the city has the best interest of the city to make the repairs since its sanitation trucks frequently were becoming mired in the mud and rut.

"I'm using my equipment to pull them out,"

Other solons explained arrangements were made by the state highway department with Barzoff to permit the city to use its roadway while the new highway was under construction.

Barzoff said he had paid \$382 and 10 cents for each auto using it until he obtained sufficient funds for repairs. He added that he had no working agreement with Pashea and held the city responsible.

"He's our agent," Partney said, referring to Pashea. The council voted 10-1 for the amended motion, with Alderman Steve Barzoff dissenting.

Following the recess, only 11 aldermen re-appeared to continue the meeting. Several had left earlier.

**Seek Arterial Designation**  
During the earlier part of the meeting, the council approved a request by Alderman Frank Vesic for a resolution to be prepared and sent to the state highway department asking for Washburn avenue to be designated an arterial street.

Permission was granted Illinois Power Co. to install gas mains along the highway between Madison and 2300 block alley west of Madison avenue to replace main now located under Madison avenue. The work is subject to approval of the Street and Alley committee and superintendent of streets to make certain the alleys are repaired.

Referred to the Seventh Ward aldermen was a request from Alford Rowden for a driveway to provide off-street parking on the front lawn of an apartment building at 2905 Madison avenue.

An investigation is to be made by the mayor and Police committee of a complaint by Mrs. Claudia Heam, who said tenants at her apartment at 2028 Madison avenue are being awakened by police at 6 a.m. to move cars out of two-hour parking zones.

Mrs. Heam, appearing before the council, said she did not know if it was city or state police, but she knew of considerable all-day parking in other two-hour zones in the city and saw no need for such a procedure to be followed. She said one of her tenants was a German war bride whose husband is in an Army hospital and she is unable to move her car.

"They want all the door bells and wake everybody up," she added.

Notice was received by the city, the police department Union, local 1347 plans to reopen its contract. The notice was referred to the mayor, city attorney and Police committee.

Council members approved a \$75 bid for repairs to a Granite City's auto, damaged last month when a city street department grader skidded while plowing snow in the 2100 block of Iowa street, was approved.

### Charles Reed, 62, Dies Suddenly; Carpenter

Charles Reed, 62, of 1208 Kirkpatrick Homes was pronounced dead on arrival at St. Elizabeth Hospital at 8:10 p.m. Monday, shortly after he had been stricken with a heart attack at his home.

Mr. Reed, who had resided with his daughter, Mrs. William Braswell, had complained of chest pains earlier. He had been in ill health for three days.

Born in Greenville, Ill., Mr. Reed had been a Granite City resident for 40 years, and a member of Carpenters' Local 633. He was a carpenter for 35 years.

Surviving are five sons, Noah, Charles and Kenneth Reed, all of Madison, Theodore Reed, Granite City, and Donald Reed, Cleveland, Ohio; four daughters, Mrs. William (Doris) Braswell and Mrs. Jerry (Marcella) Adams, both of Granite City; Mrs. John (Ova) Carlson, Madison, and Mrs. Urban (Pearl) Barylska, Sewickley, Pa.; three brothers, Albert, Greenville, William, Grafton, and Willard Reed, Franklin Park, Ill.; three sisters, Mrs. Ella Kingen, Manteca, Calif., Mrs. Odessa Flory, Nevada, Mo., and Mrs. Viola Dodge, Cuba Mo.; his mother, Mrs. Anna Reed, Nevada, Mo.; and 11 grandchildren.

Services were held at 1 p.m. today at a Madison funeral home, with burial at St. John's Cemetery. Arrangements are given in the obituary column.

### Routine Session

Routine business was transacted last night during a meeting of the Tri-City Trades & Labor Council, according to the president, Edwin Reiske. The meeting, held at the Labor Temple, was attended by about 80 delegates.

### Fred C. Kirby, 53, Found Dead At Home

Fred C. Kirby, 53, of 133 Troecker lane, Mitchell, was found dead at his home at 7:30 a.m. Tuesday.

Deputy Coroner Henry Pieper said apparent cause of death was a cerebral hemorrhage. He said that the body was discovered by Mrs. Lillian Allen, who had been riding to work with Mr. Kirby, went to his home after he failed to arrive at her home. She found him lying on the bedroom floor.

Pieper said that Kirby had been dead about four or five hours, and that an inquiry will be held.

Mrs. Allen summoned a neighbor, Mrs. Norman Miller, 137 Troecker lane, who telephoned county authorities.

Sheriff's deputies said they called Pieper to the home after they examined the man, who lived alone.

Mr. Kirby, employed in the Missouri Pacific Railroad in St. Louis, had resided in Mitchell for three years.

Born in St. Louis, where he had lived prior to moving to Mitchell, he was a member of the Grace Episcopal Church, St. Louis, and the Mo-Pac Railroad Clerks Union. He had not been in ill health, but had complained of headaches for the past week.

Surviving are a son, Fred Kirby, Abilene, Tex.; and two brothers, Louis, St. Louis, and Joseph Kirby, Ft. Lauderdale, Fla.

His remains were taken from a Granite City funeral home to a St. Louis funeral home. Arrangements are incomplete pending arrival of the son today.

### Speeding Ticket

Marjorie Sanders, 46, of 54 Jandary lane, was issued an arrest ticket Wednesday morning at 2500 Madison avenue by Granite City police who charged her with speeding. She posted her driver's license as bond.

### County Budget At 45% In 6 Months, Spending Higher

At the halfway point of the Madison county treasury's fiscal year, the dependent children account is the only general revenue fund in which the spending rate indicates a danger signal, a report by County Auditor John L. Krzyzack reveals.

He listed general spending of \$612,255, compared to \$475,651 at a similar point a year ago.

Our expenditures are below normal of 90%, although compared with last year we show a 5.1% increase in expenses," the auditor says. "The dependent children fund — \$35,145 of the \$50,000 appropriation spent — must have a slow-down if it is to remain within its budget. Some departments show more than half, but this is due to seasonal spending and a let-up is expected."

A listing of spending and unexpended balances in general revenue funds between Aug. 1 and Jan. 31 follows:

Fees and salaries, \$263,897 spent and \$322,016 left; transportation, \$428 and \$474; supervisors, \$24,104 and \$17,895; town accounts, \$37,222 and none; physicians, \$335 and \$463; juvenile home (sales tax, \$3000 and \$111,000); dependent children, \$55,145 and \$34,854; county officers' printing, \$35,374 and \$15,738; county revenue printing, \$808 and \$701; county jail, \$45,742 and \$43,580; county jail improvement (sales tax), \$7817 and \$20,382; courthouse, \$59,169 and \$37,020; courthouse improvement (sales tax), \$21,764 and \$13,235; nursing home, \$46,134 and \$56,715; building code, none and \$19,000; total, \$612,255 or 45.8% spent and \$724,330 or 54.2% unexpended.

Krzyzack listed \$30,116 spent from a \$40,000 unappropriated surplus in the 1959-60 county board room account, and all of a \$2725 county nursing home 1959-60 account spent.

Under special tax funds, he reported the following expenditures and balances: veterans' assistance, \$4746 and \$4473; civil defense, \$3312 and \$15,937; assessment maps and plates, \$27,703 and \$33,846; land use survey, \$8200 and \$900; sanatorium, \$169,286 and \$246,088; county bridges, \$50,128 and \$315,871; and county highways, \$221,574 and \$150,425.

### Procedure On District Revision Is Opposed

A letter of protest was authorized yesterday by the Madison Rotary club, which opposed the method followed in scheduling July 1 district boundary charges. Lack of notification to clubs in this area and lack of approval by the district governor were cited.

A discussion brought out that revision of districts to combine the Illinois and St. Louis metropolitan areas probably will not be opposed by the club, providing that a different preliminary procedure is used. The change is believed to have been initiated by Missouri clubs.

The club was invited to an annual Maundy Thursday luncheon and service at noon March 30 at the First Presbyterian Church, 22nd Street and Delmar avenue. Groups invited to participate are the two Rotary, three Optimist, two Kiwanis and two Lions clubs of the Quad-Cities. Rev. David B. Maxton will conduct a short service at 12:10 p.m., to be followed by a meal ending by 1:30.

Progress of the Madison high school basketball team was noted, and a nominating committee report was scheduled for next Wednesday.

## 140 ATTEND PACK 96 BLUE AND GOLD BANQUET

The annual "blue and gold" banquet of Cub Pack 96, sponsored by the Maryville school PTA, was held Monday evening at the school gymnasium, with approximately 140 attending.

Den Two gave the flag presentation and John Doroghazi, cubmaster, presided and introduced the evening's guests, who were seated at the speakers' table: Rev. John Crutcher, pastor of the Community Church, Richard Smart, district commissioner, and Glenburn Lilly, institutional representative.

Den mothers, working with the boys, had the tables decorated in the cub scout colors of blue and gold, and the head table held a decorated birthday cake baked by Mrs. Bernard Picken, den mother of Den Six, with blue and gold streamers running to the table ends.

Doroghazi presented awards to Ronald Barlock, Terry Case, Robert and Paul Doroghazi, Dale Koester, Kevin Knutt, Earl McCart, Thomas Modglin, Paul Sackett, James Stewart and James Woodruff. Bobcat awards were given and the bobcat ceremony was conducted by Bruce Baumberger, Gary Goff, Nicholas Kostoff, Ronald Hull and James Smart.

Families of Rev. Crutcher and Mrs. Glenburn Lilly were guests for the banquet. The next pack meeting will be held March 27 at Maryville school.

## LATA-GABBA CLUB MEETS WITH MRS. CHADWICK

Mrs. Rosemarie Chadwick was hostess to the Lata-Gabba club in her home on Pleasant Ridge road Monday evening.

Games were played, with first prize won by Mrs. June Nikonovich, second and Mrs. Barbara Graf, third Mrs. Dornalee Peach and fourth by Mrs. Jeanne Kildet.

A cradle shower was held for Mrs. Lorraine Stawar, with the gift table decorated in pink and blue.

The hostess served a late dessert luncheon to the prize winners and Mrs. Lois Hassler, Mrs. Mary Ann Heth, Mrs. Theresa Dorn and Mrs. Adrienne Thebeau.

## COMMITTEE MEETING

A special committee meeting of the Nameok Methodist Men's Group was held Tuesday evening at the church to complete plans for a spaghetti supper to be held Saturday at the church. Members present were Rev. LeRoy Pittman, Frank Carroll, Arnold Mason and Lloyd Seymour, president, who conducted the meeting.

## INDOOR PICNIC FOR SUBURBAN CLUB

The Suburban club met Tuesday evening in the home of Mrs. Ann Ross near Edwardsville for a regular monthly meeting.

Canasta was played, with first prize awarded to Mrs. June Nikonovich, second to Mrs. Shirley Breeze and third to Mrs. Peggy Mackney. Mrs. Nikonovich was the evening's guest.

An unusual late lunch was served by Mrs. Ross, who served picnic-style, with hot dogs roasted by each guest in the open fireplace. Mrs. Ross was assisted by her daughter, La Verne.

Members attending were Mrs. Norma Jean Ross, Mrs. Myrtle Cook and Mrs. Vvynne Durbin. Mrs. Mary Kenney will be the March 27 hostess in her home, 2324 Delmar avenue.

## GABETT'S HOLD MEETING AT LIPSOMB HOME

Mrs. Ellen Lipscomb entertained the Gabett Tuesday evening in her home, 1708 Courtview blvd., for their monthly meeting.

Canasta was played, with Mrs. Ada Snipes winner of first prize. Mrs. Sug Johanneper second and Mrs. Marie Monroe, third place winner.

The hostess served a late dessert lunch to Mrs. Joyce Keith. Mrs. May Cavanaugh, the prize winners and two guests, Mrs. LaVerne Malzynski and Mrs. Mary Ann Cannon.

## MARYVILLE PTA TO SPONSOR SQUARE DANCE

The Maryville school PTA will hold a square dance for students from the second grade through the sixth grade and adults of the school district Friday evening at the school on Maryville road.

The dance for the children will be held from 6:30 to 7:30, and for the adults from 7:30 to 9:30, with the caller, Philip McGowan, giving instruction for both groups. There will be no charge or donation for the dancing.

## LYNN COFFEE CLUB HOLDS FIRST MEETING

The Lynn Avenue Coffee club, formerly the Wednesday Morning Coffee club, held its first meeting Tuesday morning at the home of Mrs. Sandy Harper, 1915 Lynn avenue.

The hostess served a late breakfast to Mrs. Maxine Ellington, Mrs. Eva Shoemaker, Mrs. Janet Kief, Mrs. Abbie Park, Mrs. Pat Gerkin, Mrs. Frieda Blattner, Mrs. Frances Knobloch and Mrs. Betty Atkinson.

Mrs. Bartling will be the next hostess in her home, 1904 Lynn avenue.

## THIRD BIRTHDAY

Mrs. and Mrs. Paul Morris entertained Mr. and Mrs. Milton Morris of Venice and Mrs.

DANCE GROUP known as the "Kinder Silhouettes" perform folk dance in gymnasium of the YMCA during open house held there Monday night. Seven different groups which use the "YMCA" as the site of their activities gave demonstrations during the open house, which attracted 2000 visitors.

## GCAARC Plans Day Camp, Cub Scout Pack

The Granite City Association for Aid To Retarded Children held a monthly meeting Monday evening at St. John United Church of Christ on Nameok road.

Mrs. Ivan Relleke, chairman of the summer day camp committee, announced that Miss Vi-Lyn Lupardus, teacher of the EMC class, has agreed to serve as director of the camp and will set the date for the opening. The organizing committee will meet later this month.

## William Couple, president, announced that all men in the group interested in starting a Cub Scout pack for retarded boys were invited to attend a meeting at the Lake school this week.

Epelon Sigma Alpha sorority is planning an Easter egg hunt for the children, according to an announcement by Mrs. Joseph DeRuntz, and she was appointed chairman to make arrangements with the sorority.

J. E. Van Dyke, executive director of the St. Louis Association for Aid To Retarded, was guest speaker for the evening and showed a film on the activities of the St. Louis Association which included pre-school training, on the job, social activities, recreation and progress of the St. Louis group in the past few years.

Refreshments were served to 31 persons. The next meeting will take place March 27.

## Meetings Set For City Candidates To Appear

The executive board of the Granite City Civic League last night set March 9 as the date when candidates for mayor, city clerk, and police magistrate will be invited to appear at a public meeting at 7:30 p.m. at the YMCA, according to Dr. Leo Coleman, president.

Dr. Coleman said city council aldermen candidates have been formally invited to the meeting in which candidates will outline their platforms.

The board also scheduled another public meeting for March 23 for citizens to hear views of candidates for city treasurer and township assessor.

Dr. Coleman said "I hope citizens will take advantage of the meeting to gain more knowledge on voting."

In other action last night, the board discussed current issues facing the public, such as engineering fees, police magistrate salary and sewage disposal.

## Gitchoff, Cook Pledge Fraternity At College

Two students of Granite City have accepted bids for membership in Chi Delta, men's social club at Central College, Fayette, Mo.

The students are Harry Cook, freshman, a son of Mr. and Mrs. Harry Cook of 3411 Lydia lane, and Paul Gitchoff, a junior son of Mr. and Mrs. James P. Gitchoff of 2648 Benton street.

Miss Lenzi, a freshman, is the daughter of Mr. and Mrs. Edward C. Lenzi of 3225 Aubrey avenue.

# Etyl Snelson Recovering

Etyl Snelson, 811 Madison avenue, is recovering at Deaconess Hospital, St. Louis, from an operation on his shoulder which he underwent Wednesday. He expects to return home in a short time.

Conscience is the still, small voice that bothers some people only after they have been caught.

# Walter Coon, 72, Dies At Home This Morning

Walter Coon, 72, of 208 Kirkpatrick Homes died at 4:10 a.m. today at his home. He had been under medical care for several years for cancer.

Born in Indiana, he had been a Granite City resident for 16 years, and was a retired man-

ager of the Hotel Steven. He also worked for a number of years as a furniture salesman for the H. & R. Furniture store, and lived in Alton prior to moving here.

He was a member of the Trinity Methodist Church, and was past treasurer and past trustee of Moose Lodge 272.

Surviving are his wife, Mrs. Nettie P. McWilliams Coon; three sons, Ralph E., Utah, Dean, Belleville, and John K.,

# 2 Fire Alarms Today

At 27th and Madison Debris from the razed Parkway restaurant building, 27th street and Madison avenue, caught fire twice this morning at 6:30 a.m. and again at 7:45 a.m.—and on the second alarm, main station firemen called for a highlift to lift the boards so the fire could be completely extinguished.

No loss was set for the two alarms. The building was razed to make room for a new drive-in restaurant.

George Brancroft, then secretary of the navy founded the U.S. Naval Academy in 1845.

### UPW Executive Board Meets

An executive board meeting of United Presbyterian Women of First United Presbyterian Church was held Tuesday morning in the church parlors, 22nd and Delmar avenue, with Mrs. George Holtzschner presiding. The opening prayer and devotion were by Mrs. Otto Grosse and reports of the secretary and treasurer were given by Mrs. Walter Coolidge and Mrs. R. N. Johnson. There also were reports of the executive committee and plans were made for the March 7 Association meeting at 9:15 a.m. at the church. Eighteen were in attendance at Tuesday's meeting.

#### VISIT PARENTS

Mr. and Mrs. John E. Breyer, who have been residing in Champlain, spent the weekend here with his parents, Mr. and Mrs. John B. Breyer, 2688 East 27th street, before leaving this week for Ithaca, N. Y., to live. A recent graduate of the University of Illinois School of Engineering, Breyer has accepted a position with the General Electric Co. in Ithaca and will continue to do graduate work at Cornell University.

#### about this question:

I am building a new home this spring. During construction, the home is vulnerable to both fire and windstorms. Do I have to take out Fire and Extended Coverage for the full value of the home from the start, or is the premium adjusted as the house progresses?

### Hospital Group Plans Benefit Party April 9

The February meeting of St. Elizabeth Hospital Auxiliary was held Monday evening at the hospital with approximately 50 members in attendance.

Mrs. Elizabeth Kelly presided and opened the meeting with prayer. A letter was read from the American Hospital Association accepting the local group as members, and a memorial fund was set up whereby checks may be contributed in memory of friends and relatives.

Mrs. Gabrielle Betine, a candidate for aide-matrons in the Seventh Ward, addressed the Auxiliary and suggested that the members attend the city council meetings.

Plans were made for a benefit party to be held at St. Joseph's Catholic Church on April 9, and Mrs. Kelly and Mrs. Irene Argan reported on a board meeting of the Ninth District which they attended in the home of Mrs. Wilma Needles in Belleville Monday when arrangements were discussed for the district meeting to be held in East St. Louis on April 12.

The Auxiliary of Christian Workers Hospital will be the hostess group.

Prizes were won by Mrs. Bertha Becker, Mrs. Ida Murray, Mrs. Victoria Portell, Mrs. Martha Seebold, Mrs. Elizabeth Gabriel, Mrs. Esther Parr and Mrs. Grace Hennrich.

**MARRIED IN ST. LOUIS CATHEDRAL**  
Announcement has just been made of the wedding Monday in St. Louis of Mrs. Ann Stofler, 2716 Iowa street, and John Heidenry of St. Louis.

The ceremony took place in a private chapel of the New Cathedral on Lindell blvd., with the Rev. David Thomas, assistant chancellor of the Archdiocese of St. Louis, officiating at 10 a.m. Witnesses were Mrs. Frances Malick and Peter Gumbach.

After a honeymoon in New Orleans the newlyweds will make their home in Granite City. The bridegroom is employed as manager of Herder's Book Store in St. Louis.

**ATTEND CELEBRATION**  
Mr. and Mrs. Ed Rulwich, 2402 Nameoki road, were in Oakford, Ill., over the weekend for a visit with Mr. and Mrs. E. W. Meyer, who were celebrating their golden wedding anniversary.

**SCREENS & STORM INSERTS REPAIRED, GRANITE CITY GLASS, 15TH & EDISON.**

MRS. EMILE E. DAMOTTE, the former Betty Fraley, a daughter of Mr. and Mrs. Sam Fraley, 3164 Jill avenue, who was married Saturday evening at Calvary Baptist Church.

**ROBERTS-HOWARD**  
**NUPITALS IN WEST**

Announcements have been received from Riverside, Calif., of the recent marriage of a former Granite Cityan, Miss Virginia Howard, to Thomas H. Roberts of Riverside.

The bride, a 1938 graduate of the Granite City high school, made her home here with her parents, Mr. and Mrs. Arthur Howard, before the family left to reside in Riverside. The bridegroom is a son of Sgt. and Mrs. T. G. Roberts, United States Air Force, at present on furlough.

The wedding of the couple took place Feb. 18 at Immanuel Lutheran Church in Riverside, followed by an informal reception at the Howard home.

After her graduation from the local schools, the former Miss Howard attended the University of Illinois for one year and in 1930 graduated from the Riverside Business College.

The couple is residing in Riverside following a honeymoon in Catalina Islands.

The bride's father was employed as foreman at the Granite City Steel Co. before leaving for California.

# Injured Man Found Lying In Street

Police are continuing an investigation to determine what happened to William Wideman, 49, of 2915 Denver street, who suffered cuts to his face and head and was found lying in the street at 10th and Adams streets about 10:50 p.m. Monday.

Wideman, who was unable to explain how he was hurt, was taken by ambulance to St. Elizabeth Hospital, where 13 stitches were taken to close the wounds and he was admitted for observation.

Police believe the man fell, although a car was seen to stop back up and drive around him. Chief Raymond Willard said there was no evidence indicating he had been struck by a car, and his clothing appeared intact.

He was found by Nat Davis, 2130 Johnson road, a bartender at Stieb's tavern, 19th and Adams streets, who summoned police.

Committees Agree On Detention Home

Members of three county board committees agreed Monday during a meeting at Edwardsville to submit a resolution to the county board of supervisors March 15 meeting for approval of plans for the county detention home and authorizing call for bids.

William B. Webb Jr., Granite City assistant supervisor and chairman of the Detention Home committee, said there was complete agreement between the Detention Home, New Building and Finance committee members to submit the resolution.

There was some question as to the \$200,000 estimated cost during the February county board meeting, and it was decided then the entire matter should be referred to the three committees.

The county had budgeted \$114,000 for construction of the building which is to be located on the grounds of the county tuberculosis sanatorium.

Financing of the project is to be carried out with 60% of the county's half-cent sales tax.

## Spengler Oil Wins Classic Playoff Title

Spengler Oil surprised regular season champion Modern Extremators Monday night in the finals of the Granite City park district Classic Basketball league playoffs, 80-58.

Runners-up to the Extremators in regular season play, Spengler Oil broke open a tight half-game by scoring 27 points in the third quarter while holding the losers to only 13.

The Extremators trailed by one point at halftime, 32-31. The game's outcome marked the first time Spengler had annexed the playoff title since the end of the 1958 season.

The winners were paced by Gus Lignoni with 24 points. Also in double figures for Spengler Oil were Art Borchers and 21 and Jim Reiter with 16. Bob Page and Dave Hysko each counted 20 points for the Extremators, while Don Lybarger had 11.

The game was played on the Prather junior high school court, and was the last in the Classic league this season.

## Men's Handicap Bowling Tournament Opens April 14 At Bowland, Big Top

The Granite City park district's first men's handicap bowling tournament is scheduled to be run off during the last three weekends in April at Big Top Bowl and Bowland Lanes here.

Open only to male residents of the park district who are members of the American Bowling Congress, the tournament offers a total of \$300 in savings bonds as prizes to the top keepers. Bowling dates are April 14, 15, 16, 21, 22, 23, 28, 29 and 30.

The entry fee has been established at \$5, with \$1.50 of that total going toward prizes. The first-place finisher will receive a trophy in addition to \$150 in savings bonds. Other prizes are \$75 in savings bonds for second place, a \$50 bond for third, \$25 bond for fourth, and cash awards thereafter on the average of one for every 10 entries.

**Entry Deadline April 5**  
Bowlers have until noon April 5 to enter the tournament, and mail entry blanks to the tournament manager, Harold Brown, at 1314 Niedringhaus avenue. Entry blanks are available at the participating bowling houses and Frank's Card Shop, and should contain the bowler's March 3 average. Handicap will be 75% of 210.

A complete listing of rules governing the tournament follows:

**Eligibility:** Residents of the Granite City park district who are members of the ABC. Minimum 21 games required. Employees of the Big Top Bowl and Bowland are not eligible. American Bowling Congress rules and regulations will govern the tournament.

**Prizes:** \$150 in savings bonds for first prize, plus trophy. Second prize \$75 in savings bonds, third prize \$50 savings bond, fourth prize \$25 savings bond. Prizes will be awarded on the basis of at least one for every 10 entries. Tie for first place will be decided off at a time and place set by the tournament director. Other ties will total prizes and divide equally. Averages of all prize winners will be table-checked.

**Protests:** Should be made immediately on pinfall, foul, handicap, score, etc., to the tournament director. Other ties will total prizes and divide equally. Averages of all prize winners will be table-checked.

**Entry fee:** \$5 per bowler, cash check or money order to be included with entry blank. \$2.75 for bowling, 50¢ for expenses, \$1.80 for prize money. Prize fund returned 100%. Any bowler failing average will forfeit entry fee. Only one entry per bowler.

**Deadline for entries:** Must be received by the Granite City park district at 1314 Niedringhaus avenue by noon, April 5. Entries must be mailed to the above address or turned in at the Big Top Bowl or Bowland Lane.

**Scores:** Carbon copies of score sheets available. Top scores will be published as soon as they have been recorded with the tournament directors.

**Tournament directors:** Paul Harshbary of Big Top Bowl, Jack Jachino of Bowland Lanes and Harold Brown, recreation director of the park district.

## 1st Assembly Wins Church Loop Playoff

First Assembly of God easily retained the playoff championship title in the Granite City park district's Church Basketball league Monday night by defeating St. Joseph's at the Coolidge junior high school gym, 99-51.

First Assembly ran to a 19-1 first-quarter lead, and all five starters ended the evening in double figures. The winners were in front 48-17 by halftime.

The Assembly's eagerness was led in the scoring department by John Draper, who rimmed 25 points. Following were Jerry Wintler with 18, Bud Gonsel with 14 and Earl Whitfield and Paul Hollis with 10 each. Marvin Mendoza popped in 21 points for the losers.

First Assembly finished second to Sacred Heart during regular church league season play, while St. Joseph's was fourth. St. Joseph's upset Sacred Heart in sudden death overtime to reach the finals, while First Assembly made it by defeating third-place St. Bartholomew's.

Mendoza's contest wrapped up action in the league this season.

**Bowland Schlitz Rolls First-Place Falstaff Saturday**

Falstaff Beer of Alton carries a 31-game lead into the final eight sessions of the Southern Illinois Bowling Proprietors Association Classic league, one of which is scheduled Saturday night on the home lanes, Bowland Haven in Alton.

The Falstaffs face third-place Granite City Bowland Schlitz in one of four 7 p.m. matches. Schlitz trails the leaders by four games, and is one-half game behind second-place Collinsville Revere Room.

Revere Room tackles Belleville Black Label Beer. Ripley Bowling Pins of O'Fallon meets East Alton's Pepsi-Cola five, and Louisa's Bowlers Shop of East St. Louis draws Rusty's of Edwardsville in other matches.

Schlitz's Jim Vrenick, who hit his average to 205 with a 628 series last week, still trails Ray Orr of the Falstaffs in the individual average department. Orr is hitting at a 209 clip.

The standings, including worst records and team averages: Falstaff 45-16-26.5, 983; Revere Room 42-20, 972; Bowland Schlitz 41-24-30.1, 971; Ripley Pins 36-30, 968; Black Label 35-37, 963; Rusty's 35-37, 957; Louisa's 31-40-4, 948; and Pepsi-Cola 21-45-50.3, 937.

**SKIN AND SCUBA DIVING COURSE**  
**BEGINS MARCH 12**

A final course in skin and scuba diving prior to the summer diving season will be given by the Bubblemasters Diving club beginning Sunday, March 12, at the local YMCA.

The course, taught by members of the club, consists of 16 hours of classroom lecture work and 16 hours of practical water work in all phases of diving. A. J. Mueller Jr., nationally certified YMCA instructor, and Ron Homyer, YMCA instructor, will conduct final review and examination sessions of the course.

The March 12 instruction period will begin at 12:30 p.m. at the YMCA pool, followed at 2:30 p.m. by two hours of classroom instruction. The diving class will continue to meet for an eight-week period.

Persons passing the final written and practical application examinations will be entitled to wear the official YMCA diving emblem. Full course information is available from Homyer, who is president of the Bubblemasters, at TR 7-5170 or from Lewis Brown, course co-ordinator, at TR 7-1503.

## EDITORIAL

### Civil Service Plan Could Improve Effectiveness Of County Deputies

A bill introduced at Springfield is of interest not only because it is sponsored by state representatives from this area but because it could lead to the creation of career positions on county sheriff staffs. By authorizing county boards to extend civil service to deputies and other employees, the state could remove decisions on appointments from the purely political realm to that of ability and experience.

With the existing potential turnover of employees each four years, there is no way to attract those desiring permanent employment. And there is little incentive for those obtaining temporary jobs to become proficient in police work.

A merit system could bolster the effectiveness of the deputy staff, which affords the only police protection in unincorporated areas of the county. Appointees would still be subject to discipline and discharge if incompetent, but under civil service rules rather than the whims of fate and politics.

### First-Hand Role For Price On Issues Of Leading Importance

Due to the seniority system, members of Congress usually receive committee assignments of minor importance in the early years of their service. Each district can have only one Congressman, and thus has only limited influence when represented by a newcomer. This area is fortunate in that the long tenure of Cong. Melvin Price, combined with his performance, has resulted in key committee and subcommittee assignments.

A new assignment for him is the top-level subcommittee on the Central Intelligence Agency. Senior members of the armed services committee are named to this group to receive frequent reports and briefings from the CIA on the nation's military posture and intelligence information on worldwide events and conditions.

Cong. Price also will continue as one of only nine House members of the joint committee on atomic energy and as a member of the military affairs subcommittee and a standing subcommittee that considers general problems of branches of the armed services.

While deliberations of some of these groups are secret, it is regarding to local voters to know that their representative has been accorded a first-hand role in so many fields of major importance.

### Thank You, Tom

The last issue of the Southern Illinois Editorial Association "Newswriter" reported a lecture on "Jobs in Journalism" by Tom Duffy, editor of the East St. Louis Journal, before the student chapter of Sigma Delta Chi, journalism fraternity, at Southern Illinois University.

"In the course of the session," quotes the Newswriter, "Tom paid a high compliment to C. E. 'Corky' Townsend when he referred to the Granite City Press-Record as 'probably the best twice-a-week paper in the nation.'"

Thank you, Tom.

If a shortage develops in cosmetics the face of many a lady will turn pale.

### Pay TV Becoming Attractive As Way Of Raising Program Quality

Pay television once may have had the appearance of a get-rich-quick scheme, and there are still reservations in many people's minds about having to pay to view programs in their own homes. Yet the caliber of much of the current TV offerings is making the proposal increasingly attractive.

Basic argument in favor of payment plans is that top-quality plays, music, motion pictures and other cultural programs can be made available, and on sets regularly in use. It would cost \$7.50 to \$10 to install a signal decoding device, and "admission fees" would range from 25 cents to \$3.50, plus possibly a 75-cent weekly service charge.

While television has risen to the heights on occasion, the general level too often is disappointing. Those weary of the trend away from live entertainment and challenging programming will watch with interest when the nation's first full-scale pay TV experiment begins in Hartford, Conn., this year.

Freedom is a gift from the past, but it is not at all certain that it will be a legacy of the future.

### No Chance For Criminals To Escape Arrest, Conviction

It has often impressed us how certain it is that wrongdoers will be captured, and the point is emphasized by recent arrests and convictions in this area.

What with modern criminal technology, law violators are faced with the constant prospect of being traced, and it is virtually impossible for a fugitive to hide his identity for more than a few months, no matter where he flees.

Although in some cases the weakness of evidence prompts prosecutors to agree to reduced terms in exchange for guilty pleas, there are just as many instances in which substantiating data is overwhelming. And whether guilt is acknowledged or disputed, the individual who repeatedly breaks the law is sure to find himself behind bars sooner or later.

The cliché that "crime does not pay" is factual, and it is surprising that so many people try to prove otherwise. Anyone who might be thinking of attempting the non-existent "perfect crime" ought to give thought to three St. Louis market bandits, who were caught in the Cloverleaf Addition south of Madison before they even had time to consume the groceries they had obtained.

### Registration Necessary To Vote For Justice Of Peace

Since voters must be registered to participate in the April 4 election of a district justice of the peace and constable, it will be important for all to check their registration cards to make sure they are eligible to vote.

Those not registered must act by Monday, March 6, in order to participate. With both regular and special centers operating in the Quad-Cities this weekend, there is little reason why all cannot follow the procedure necessary to avoid losing their right to vote.

### 8 Attend Meeting On Police Cooperation Plan

Eight officers represented Quad-City police departments at a meeting of St. Louis, St. Louis county and Madison and St. Clair county police held Tuesday in St. Louis on establishment of a "quadrant system."

The cooperative system involves joint efforts to encircle crime scenes, preventing suspects from escaping even though they may be near a city, county or state boundary line.

Those attending included Capt. Joseph Kastelle and Detective Sgt. Leo Padgett of the Granite City department; Chief Barney Fraundorf, Capt. Stanley Wojcik and Youth Officer George Ramach of the Madison police; and Sgt. John Essington and Patrolmen Ralph D. Brawley and Marvin Langston of the Venice department.

### Cost Estimate Sought For Nevada Ave. Sewer Line

A cost estimate is to be prepared for extending the city sewer system to serve 11 houses on Nevada avenue between West 22nd and West 23rd streets.

During Monday night's session of the Granite City council, Alderman Walter Nunn said the city has an ordinance prohibiting cesspools, but that no lines are provided for the area.

"The problem," he outlined, "is that the area is low and many of the houses are old and on 25-foot lots with no room left to put anymore cesspools. The cesspools are overflowing, causing a health hazard."

Nunn said he had conferred with engineers and the solution is to install a lift station or other equipment along with putting in a line to serve the houses. When the cost is known, the property owners will be advised to determine if they want to proceed.

**Delegation Present**  
The alderman called upon a delegation, and a spokesman, E. E. Lane, said it is costing the householders \$70 to \$100 each time their cesspools or septic tanks are cleaned.

"If the cost isn't prohibitive, we would like to have sewers. My taxes have jumped from \$20 a year in 1951 to \$102 last year, and I have nothing to show from the city except a little patch job in the street," Lane said.

He added that the area floods frequently and it is impossible to keep children from playing in the polluted water.

Alderman Paul Rutledge said similar problems exist in the larger North Granite area and he hoped a solution could be found. Nunn added there were about six other blocks in the Fifth Ward where the city has no sewers.

The city engineer was instructed to prepare a cost estimate and submit it to the council.

**Drainage Problem**  
The engineer also was called upon to work out a solution to a drainage problem at Wabash and Clark avenues, and the mayor was asked to write the East Side Levee & Sanitary district to correct a manhole problem caused by a new drainage trunk line installed in the Glenview area.

Alderman Casmer Skubish said the manhole is about two feet below the level of a back yard, 2809 National avenue, causing the yard to wash out.

## Solons Reconsider, Approve Driveway For Trust Bank

Reconsidering its action last week, Granite City council members voted Monday night to grant a driveway permit at 1920 1/2 Delmar avenue, where Granite City Trust & Savings Bank is planning to raise a building for an additional entrance for a new concept of lawn care and to grow better roses.

However, granting of the permit is to be delayed until a legal opinion is submitted by City Attorney William Beatty. Alderman Ed Koenig, who has been making motion for reconsideration, stated he had conferred with Illinois Municipal League attorney, Mr. Springer, on another matter, and was told such a motion would be out of order if the minutes of the meeting in which earlier action had been taken were approved.

Dawson pointed out the minutes of last week's session were approved before the motion for reconsideration was submitted by Alderman Walter Nunn.

**Explains Qualification**

Nunn said he was not present last week and had voted against the minutes, thus becoming qualified to make the motion. The motion also was challenged by Alderman Mrs. Gabrielle Bettine, who said it should be made by an alderman who had voted against the proposal last week.

City Atty. Beatty explained parliamentary procedure and that the presiding officer could recognize any motion. The council then should appeal the decision and vote on the issue.

The bank's proposal, which includes the raising of the building now occupied by Ben Schermer Hardware store, was outlined by its attorney, Randall Robertson, who explained traffic flow on Delmar avenue would not be disrupted if the city removed a parking meter between the driveway and the Niedeckhaus avenue intersection to provide an additional lane for northbound traffic.

**Special Design**

He said the bank driveway would be designed to guide vehicles into that extra lane, and if necessary, the bank would hire a police officer to direct traffic, such as is now being done on Edison avenue.

Several solons continued to express concern over added congestion at the Delmar-Niedeckhaus intersection, especially on Friday evenings. Alderman Arthur Wieser said he normally uses Delmar avenue on his way home from work, but on Friday evenings Edison avenue "is only with the traffic signal that I can get across Niedeckhaus avenue."

However, Alderman Steve Baurich said any problem would arise only for 30 minutes to an hour on one day a week and he did not believe it to be too serious.

Nunn's motion to reconsider carried by a vote of 13-to-3, with Aldermen Charles Meyer, Emma and Davies and Wieser opposed. The motion to grant the driveway permits was approved 12-to-4, with Mrs. Bettine joining Meyer, Davies and Wieser in opposing it.

## Lester Hull, 39, Starch Company Foreman, Dies

Lester L. Hull, 39, of 2123 Nevada avenue, a foreman at the Union Starch and Refining Co., died at 3:40 a.m. Tuesday of a heart attack at St. Elizabeth Hospital.

He had not been ill until a short time before entering the hospital Saturday.

A Granite City resident for 32 years, he was born in Caledonia, Mo. He had been a Union Starch employee for the past 18 years, and worked in the caramel department. He was a member of the Salvation Army church.

Surviving are his wife, Irene; two sons, Ronald, 14, and Phillip, 11; three sisters, Mrs. James (Cleo) Poe, Joplin, Mo., Mrs. Jack (Lain) Vaughn, West Frankfort, Ill., and Mrs. William (Shirley) Meyer, Wood River; two brothers, Lloyd, Silem Springs, Ark., and John Hull, Collinsville, and his mother, Mrs. Dixie Hull, Granite City.

Funeral services were held at 2:30 p.m. today at a Madison funeral home, with burial at St. John's Cemetery. Arrangements are given in the obituary column.

## City Seeks Bids On 1957, Used Two-Ton Truck

An unusual bid advertisement is to be placed by the Granite City council.

It calls for bids on a used 1957, two-ton truck for the street department and is for the express purpose of buying an \$11,000 truck offered by the city to replace a 1948, 1½-ton model on which repairs will cost \$500 or more.

A motion to buy the truck was withdrawn earlier in Monday night's meeting when Alderman Paul Rutledge pointed out bids would be required.

However, Supt. of Streets William Warfield said an immediate decision was needed either for a new truck or the use one so he could begin operating the city's road oil spreader to save streets damaged by winter ice.

The superintendent said he had inspected the truck, located in St. Louis, and that it was in good condition and would be suited to the department's needs. The 1948 truck was acquired with the oil spreader.

## Car Found In St. Louis

Granite City police were notified Tuesday that a 1957 auto which had been stolen last Friday afternoon here had been found on a lot in St. Louis. The owner, Ed Koenig, 5214 Lakeview drive, Pontoon Beach, was notified. The car had been stolen off the lot of an auto agency in the 1900 block of Madison avenue.

## Local Nurses Plan To Observe Week In March

Local nurses are planning to join in an observance of Illinois Nurses' Week, March 19-23, at the Greater St. Louis Industrial Relations Club. "Better Nursing Care Through Research" will be the theme of the state-wide observance sponsored by the State Association, according to an announcement by Mrs. Louise A. Meyer of Springfield, Association president.

The event will focus on the work of nurse researchers and will seek to increase public support for an expanded program in nursing research.

Nurses' Week will wind up Illinois' share of a nationwide drive to raise \$1 million for the research program of the American Nurses' Foundation. The Foundation is a nonprofit organization established by the American Nurses' Association. Funds raised for the Foundation will be used to support nursing research projects and fellowships and to provide for the sharing of research findings through a journal of applied research, monographs and a research library.

## Correction

Lloyd McBride, subdistrict director for the Steelworkers Union informed the Press-Record this week that he was unable to appear on a program conducted recently by the Greater St. Louis Industrial Relations Club at Washington University. ## Tenor Brian Sullivan In Concert Here Monday

A Metropolitan Opera star since his debut there in 1948, and a frequent performer with the San Francisco and Chicago Lyric opera companies, Brian Sullivan, tenor, will appear in concert at 8 p.m. Monday at the Granite City senior high school auditorium.

Sullivan's appearance here is under the auspices of the Tri-City Community Concert Association, of which Robert D. Todoroff, is president.

Sullivan, who is no stranger in this area, has made numerous appearances in St. Louis Municipal Opera productions, and in April of this year will sing the title role in the St. Louis Civic Opera Association's production of "Gounod's Faust."

At home in either lyric or dramatic tenor rolls, his recent musical activities include a 1958 Vienna Staatsoper production of Wagner's "The Flying Dutchman," an appearance in Puccini's "Girl of the Golden West" at the Red Rocks, Colo., outdoor theater, the role of Don Jose in Bizet's "Carmen" as performed at the Hollywood Bowl, the singing of Bach's Christmas Oratorio with the Philadelphia Orchestra at Carnegie Hall and several television appearances.

His fall season with the Metropolitan Opera began in October, and Sullivan will make concert and operatic appearances on both sides of the Atlantic before the season ends.

His operatic repertoire is wide in scope and variety, and includes Benjamin Britten's "Peter Grimes" in the role of the title character, which he made his Metropolitan debut, Gluck's "Alceste," Bee-

**BRIAN SULLIVAN**, Metropolitan Opera tenor who will appear in concert at the Granite City high school auditorium at 8 p.m. Monday in the next series of musical programs presented by the Tri-City Community Concert Association.

Sullivan (real name Joe Sullivan) made his first professional stage appearance at the age of 21, singing the role of Count Almaviva in the English version of Rossini's "The Barber of Seville."

Shortly after a Municipal Opera appearance in St. Louis in 1947, he was asked to audition for the Metropolitan Opera. While on stage he was signed and started rehearsals for his first Met role the same day.

## Tickets For Scout Fair To Be Issued To Units

Ticket chairman of units in the Tri-City district will be issued tickets for the Cahokia Mound Council scouting fair May 5-6 when they report to Washington grade school at 7 p.m. next Tuesday, March 7. It was announced this week.

Applications for booths at the fair already are being received, and displays from this area will include Indian relics by Troop 91, bridge and tower building by Troop 96, auto overhauling by Explorer Post 18, Indian dancing by Post Six and "scuba" diving by Post 98.

Room for 90 booths will be afforded at the American Legion home, Boy Scout home and school facilities in the 700 block of Broadway, Venice, Sigmund Fredericks, council activities chairman, has announced.

Each explorer, scout or cub selling 10 tickets will receive a special neckerchief and top unit salesmen will receive flashlights. District sales leaders will receive a pack or \$10 merchandise certificate.

Top council-wide ticket awards will be as follows: first prize, a bicycle; second prize, a week at Camp Sunnen or \$16 merchandise certificate; and third prize, a sleeping bag.

The sales will aid unit fundraising, since each post, troop and pack will receive a 20-cent-per-ticket commission, providing it meets its quota. Those not selling the quota will receive 10 cents per ticket.

## Emerson PTA To Begin Sale Of American Flags

Hoping to revive the custom of flying the American flag at homes on holidays, the Emerson school PTA will conduct a sale of new 30-star flags starting on Saturday and continuing each Saturday through April 8. It was announced today by Edward Gonwa, PTA president.

The sales will be conducted by PTA members at two locations in Granite City—at 19th street and Edison avenue on the north-east corner and at the Belleme Village shopping center.

The flags, valued at \$8, are to be sold for \$5 for a 30-foot flag complete with a six-foot pole and a holder that can be fastened to a porch or building.

Proceeds of the sale will be used by the PTA to finance a trip to Springfield in June for the sixth grade class at Emerson school. The PTA has 200 flags

to sell, and the sale will be conducted each Saturday as long as they last.

"It is our hope," Gonwa said, "that every Granite City home will include this essential item of equipment in their household and proudly display this symbol of our patriotic spirit on each of the following days of national importance."

New Year's Day, Inauguration Day, Lincoln's birthday, Washington's birthday, Easter Sunday, Mother's Day, Armed Forces Day, Memorial Day, Flag Day, Independence Day, Labor Day, Constitution Day, Columbus Day, Navy Day, Veterans' Day, Thanksgiving Day and Christmas Day.

"The flag also may be displayed to honor the day on which the state of Illinois was admitted to the Union — Aug. 26."

## 14 From GCCHS In Speech Sectional Here Saturday

Fourteen students will represent Granite City high school as hosts to 10 other schools for sectional speech competition Saturday. Activities will begin at 8 a.m. and continue throughout the day.

Individual contestants from the local school will be Mary Wagner, verse reading and original monologue; Kathleen Oros, comedy reading; Larry Diak, serious reading; David Hancock, radio; Janet McLeister, original oration; and Robert Butler, after-dinner speaking.

Also competing will be a GCCHS debate team composed of Richard Kevich, Casey Fredericks, Gary Giammer and Butler, and the cast of a one-act play, "The Skin of Our Teeth," Miss Oros, Diak, Lee Goldberry, David Keltner, Bob Blischoff, Marilyn McFay and Richard Copeland.

About 200 students who qualified through district tournaments in Granite City, Effingham and DuQuoin will vie in the sectional for berths in the annual state speech contest to be held next month in Urbana.

Nine play casts and nine debate teams will compete here along with entrants in nine individual events. Those placing first and second in each category will advance to the state.

## Marvin Dean Winner Of Toastmaster Award

Toastmaster of the week award went to Marvin Dean for his speech on "A Close Shave," at the Granite City Toastmaster Club meeting Monday at the Engineer Depot Officers' Club.

Earl Lee, who spoke on "Alcoholism—A National Problem," and Earl Tucker, who talked on "Boys' World," were the other two speakers.

General evaluator was Herman Gray, best critic, Charles Youngs; and toastmaster, Edward Withers.

Winter applications of nitrogen often give yields equal to those from spring or summer applications, according to a report by Kurtz, University of Illinois agronomist.

In five of seven experiments in northern Illinois, nitrogen response was similar regardless of time of application and kind of nitrogen used. However, one of the main drawbacks to early application is that available form of nitrogen readily disappears from some soils.

Every pound of nitrogen fertilizer will not necessarily appear in the crop or stay in the soil until the crop is ready for it. At high nitrogen levels, there are often losses in efficiency.

The scientist tested winter spring and summer applications of fertilizers with two different forms of nitrogen, ammonium sulfate and nitrate.

Kurtz found that winter applications of nitrogen, regardless of the form used, worked about as well as summer applications in moderately heavy soils in northern Illinois. However, winter applications should not be made on sandy or poorly drained soils.

Many farmers like to apply fertilizer during the winter because it helps distribute the work load throughout the year. Also, some fertilizer dealers offer reduced prices at that time.

Here's some more information on controlling weeds with chemicals, this time about granular pre-emergence treatments.

To use some granular materials, you may need a machine so sophisticated that it will spread only five-eighths of an ounce over a row that's 100 feet long and 14 inches wide. Last year, many farmers ran into trouble in spreading granular pre-emergence herbicides because the applicators were relatively new.

Since granular herbicides do not require water or mixing, some farmers consider them more convenient to use than liquids. They drift less with wind.

However, the average cost of granular chemicals last year was about 70 cents an acre more than liquids. Then, too, granular herbicides require more storage space and handling than sprays.

A farmer with spraying equipment should carefully check prices of materials and applicators before changing to granular herbicides.

A brand-new program for high school students interested in wildlife and other natural resources is planned for this summer.

Students enrolling in the program can study soil, water, natural forest and fish resources in addition to wildlife. The program consists of seven "Youth Conservation Workshops" scheduled at five state universities this summer.

Any boy or girl who is a sophomore, junior or senior in high school may enroll. Those who wish to enroll can take their choice of any one of the seven workshops. Fees will be charged that cover all costs except transportation to the workshops.

The program is sponsored by the Office of the Superintendent of Public Instruction in cooperation with the Illinois Departments of Agriculture and Conservation. Students interested should notify the farm adviser's office.

Dairy Herd Improvement Association for the last month of testing were owned by Harold Baumann, Norman P. Henke, Clyde Lebeque, Elmer Klenke, Clarence Sievers, Arthur Brainer, Vernon Becker, William Hepple and Son, Waldo Koellbach and Eugene Meffert. The annual meeting of the association will be held the evening of March 13.

Fewer poultry farms, however, lay hens and more eggs per hen are the trends in the Illinois poultry industry in recent years. The number of turkey farms in the state has dropped 45% in the last five years, but average flock size jumped 150% and total turkey sales have risen 37%.

The first 21 entries in the Illinois state spring Holstein cattle sale at Highland April 8 have sales averaging 54 pounds but inferior per year. Plans are being made for a consignors' dinner the evening before the sale.

A new variety of soybeans the Kent has been getting some publicity and several farmers have asked about it. The seed supply is available and it is being sold for a consignors' dinner the evening before the sale.

The Kent variety is adapted to southern Illinois, being about 10 days later in maturity than Clark. In tests for 3 years at Edgewood, 4 years at Eldorado and 3 years at Miller City, it has averaged 3 to 5 bushels more per acre than Clark. It is equal to Clark in lodging resistance, seed quality and oil content.

Directors of the Madison County Soil Conservation District elected officers for the new fiscal year last week. They are: Robert Fenton, Pocahontas, chairman; Alfred Suber, Worden, vice-chairman; and Arthur Schneider, Trenton, secretary.

Other directors are: Glen Gillo, Alton and Norman Klueter, Edwardsville. Meetings of the directors are held the last Thursday afternoon each month at the Farm Bureau building at Edwardsville.

All legumes need nitrogen-fixing bacteria to grow, and it is only when the bacteria are present that these bacteria that legumes can add nitrogen to the soil. The lack of inoculating legume seed to supply bacteria has long been recognized.

Through recent research developments alfalfa seed is now available already inoculated. The seed can be planted long after the date of inoculation and still remain effectively inoculated.

The process is used only with alfalfa seed at the present time. Research efforts continue toward adapting the process to preinoculate clover seeds. Problems involve seed structure, different

from alfalfa, and the selecting of special bacteria strains.

Another type of preinoculation now being used on clover seed gives good temporary inoculation for spring planting until the seed comes in contact with moist soil. It will not remain effective through long periods of warm weather.

Farmers realize the importance of inoculating legume seed, either with the conventional method of inoculating just before planting or by using some of the new pre-inoculated seed.

If early predictions materialize, Illinois turkey growers will produce more than one million turkeys in 1961, a 10% increase over last year.

If you have well-water problems and were unable to attend our recent meetings on this subject, you can get some good information from a circular that was distributed at the meeting. Let us know if you want a copy.

Your individual income tax return is questioned by the Internal Revenue Service, the law assumes that you are guilty until proven innocent. It is not the tax agent's job to prove that your return is wrong; you must prove that it's right. This differs from other segments of United States law which say that you are innocent until proven guilty. Therefore accurate, up-to-date records are a must for every farmer. Good

record books are available at your county farm adviser's office.

The discovery that weeds are costly and generally can't be controlled by cultivating is causing farmers to use more chemicals.

Fred W. Sife, University of Illinois agronomist, speaking at the annual two-day school of the Madison-St. Clair Vegetable Growers' Association last week.

Widespread use of fertilizers and insecticides has eliminated some barriers to high yields, he reported. Now weeds are getting the attention they deserve.

On some farms weeds are not a problem, but on many others they can cut crop yields by 10 to 20%.

Research showed that giant foxtail reduced corn yields by nearly 20 bushels an acre and soybean yields by 10 bushels an acre. With a million acres of Illinois cropland infested, losses from this weed alone add up to millions of dollars.

No chemicals and chemical treatments are being developed at a rapid rate. If chemical companies continue to develop weed control chemicals as fast as they have in the past, newer and better control methods are ahead.

Granular forms of herbicide are one recent development. Because of their convenience, the granular forms of pre-emergence herbicides will probably become

more important in the future than liquid sprays.

Some interesting information on new varieties was given at the vegetable growers' school. In the tomato variety trials last year in this area, two new varieties developed in Missouri did exceptionally well. They are called Supreme and Surprise.

Tomato yields last year were fairly good, despite the heavy rains early and the dry weather of late summer. Two farmers growing tomatoes on contract with Brooks Foods of Collinsville had yields of more than 18 tons per acre.

Sweet corn varieties scoring well in the 1960 tests in yield, ear size and quality, including Flavor, were Victory Golden, Gold Cup, Golden Profit and Golden Sensation. Victory Golden is becoming one of the most popular varieties, being recommended for home gardeners as well as for the commercial market growers.

A new topic on this year's program was sweet potato growing. Recommended varieties are All-Gold, Acadian and Puerto Rico No. 1.

It is not the tax agent's job to prove that your return is wrong; you must prove that it's right. This differs from other segments of United States law which say that you are innocent until proven guilty. Therefore accurate, up-to-date records are a must for every farmer. Good

record books are available at your county farm adviser's office.

The discovery that weeds are costly and generally can't be controlled by cultivating is causing farmers to use more chemicals.

Fred W. Sife, University of Illinois agronomist, speaking at the annual two-day school of the Madison-St. Clair Vegetable Growers' Association last week.

Widespread use of fertilizers and insecticides has eliminated some barriers to high yields, he reported. Now weeds are getting the attention they deserve.

On some farms weeds are not a problem, but on many others they can cut crop yields by 10 to 20%.

Research showed that giant foxtail reduced corn yields by nearly 20 bushels an acre and soybean yields by 10 bushels an acre. With a million acres of Illinois cropland infested, losses from this weed alone add up to millions of dollars.

No chemicals and chemical treatments are being developed at a rapid rate. If chemical companies continue to develop weed control chemicals as fast as they have in the past, newer and better control methods are ahead.

Granular forms of herbicide are one recent development. Because of their convenience, the granular forms of pre-emergence herbicides will probably become

more important in the future than liquid sprays.

Some interesting information on new varieties was given at the vegetable growers' school. In the tomato variety trials last year in this area, two new varieties developed in Missouri did exceptionally well. They are called Supreme and Surprise.

Tomato yields last year were fairly good, despite the heavy rains early and the dry weather of late summer. Two farmers growing tomatoes on contract with Brooks Foods of Collinsville had yields of more than 18 tons per acre.

Sweet corn varieties scoring well in the 1960 tests in yield, ear size and quality, including Flavor, were Victory Golden, Gold Cup, Golden Profit and Golden Sensation. Victory Golden is becoming one of the most popular varieties, being recommended for home gardeners as well as for the commercial market growers.

A new topic on this year's program was sweet potato growing. Recommended varieties are All-Gold, Acadian and Puerto Rico No. 1.
